

BOXING BOUTS CLEVER, GOOD

As one fan said: "If Edwards gives us sport like this we're satisfied."

Such was the general opinion expressed following Wednesday night's boxing card under the auspices of the Medford Athletic club, at which Tommy McFarland of San Francisco won a decision over Bobbie Evans, the lightweight champion of the northwest, Bob Collins defeated "Iron Man" Al Moore and Young Dixon and Joe Silva went to a draw. All of the bouts were excellent.

The main event, won by McFarland over Evans, was a clever exhibition. Mac was never in danger and several times he had Evans going. The boy, however, protected himself well and stuck out the ten rounds, although he was outgeneraled, outboxed and outpunched, but not outgamed.

"Iron Man" Al Moore was big enough to beat six ordinary men but he goes into action like a prairie schooner. Collins outclassed him and all but had him out twice.

Joe Silva, a clever little Mexican who fights at 128 put up a splendid battle against Young Dixon. He is fast and in spite of Dixon's cleverness the insurrector held his own. A draw, said Edwards, and the crowd cheered.

COFFMAN IS PUT ON TRIAL

The trial of Wilbur Coffman for cattle stealing is now under way in the circuit court. John McKee and Andrew Coffman failed to appear for trial and their bondsmen, S. W. Swihart and John Higginbotham were forced to pay into the county treasury \$1000, or \$500 for each.

The two Coffmans with McKee are charged with stealing cattle in the Butte Falls district. Young Coffman who is on trial is just a boy and is said to have been led into the thefts unknowingly.

LAWYER SUES CLARENCE HILLMAN FOR BIG FEE

SEATTLE, Wash., April 4.—Frederick R. Burch, chief legal advisor of Clarence D. Hillman, real estate dealer, under sentence for using the United States mails to defraud, today began suit in the superior court against Hillman for \$37,500 for professional services rendered.

Burch has been Hillman's legal advisor for years and defended him in his big case and also in two contempt cases which resulted during the trial. He claims he was to have received a \$40,000 fee for his services, but that he had collected only \$15,000 from his client. The fee is the largest ever claimed in a single criminal case in this state.

Easter Services

Exultant songs of triumph proclaiming the resurrection of our risen Lord, will mark the services at the Baptist church next Sunday. A choir of thirty-two voices, assisted by an orchestra of seven pieces, also the Medford string quartet, whose superb playing so delighted all who heard them at the opening of the First National bank recently, will be heard throughout the day. Shelley's sacred cantata, "Death and Life," will be given by the choir at the evening service. A quartet will sing the "Sanctus" from Gounod's mass, "St. Cecilia," a trio, "Praise Ye the Father," by Verdi, will be given. Dr. Marlon will direct the orchestra and Forrest Edmeades the chorus, with Mrs. Everett Marsh at the piano. The soloists for the day will include the Misses Hazelrigg, Hinman, Bratney, Mrs. Montgomery, Mrs. Holmes, Mrs. Webster, Messrs. Vawter, Bennett and Whetsel. A cordial invitation is extended to all who care to join in this service of exultant praise. As is customary, the time of the evening service will be changed to 8 o'clock.

RECEIVES LARGE SHIPMENT CARS

C. E. Gates, local agent for the Overland automobiles, today received the largest single consignment of automobiles ever shipped into this section. He received a car, containing six machines. Of these six one was a "35," two were "45's" and three were "30's."

The Overlands are proving a favorite with local people. Mr. Gates has sold a large number this season. The task of unloading the cars is great as they are "double decked" in the freight car.

The She-Male of the Species.

"The Female of the Species is More Deadly Than the Male."

—Rudyard Kipling.

When the Modiste of the city meets the shopper in her pride
He hangs gowns in all his windows with the doodads all outside,
For he knows she'll stop and grab 'em as the harpoon nails the whale,
For the She-male Shopper is more grasping than the male.

When the early Pilgrim Fathers ate their Puritanic beans
In those days of savage peril, 'mid those grim and rugged scenes,
He-male cooks were sequestered in the poorhouse and the jail,
For the She-male Chef-de-Cuisine cooked beans better than the male.

When the toiler from the coal mine cometh forth upon a spree
He will seek a lady manucure as quickly as can be
For to get a polish brilliant and a pinker finger nail,
For the lady Manucure is popularer than the male.

When a lover takes his Lassie to a supper on Broadway,
And secures a quiet table at some ultra-well cafe,
She rejoices, He is weary, and his pocket-book grows state,
For the She-male of the species is far hungrier than the male.

So it goes through all the Species—doesn't matter what you do—
You will find the little She-male is the better of the two—
And—no matter what her robbles or her quality of mind,
You will find her in the forefront, with some Male not far behind.

RATED HIGHER THAN STANDARD

In determining the efficiency and value of any breadstuff a Dakota all-Hard Wheat flour is used as a basis for comparison.

Tests recently made by The Columbus Laboratories of Chicago, rank FISHER'S BLEND FLOUR even higher, to-wit:

	Rating of a Perfect Dakota All-Hard Wheat Patent Flour	FISHER'S BLEND FLOUR
General Average	100 %	100.2 %
Gluten Quality	100 %	101 %
Absorption	62 %	64 %
Loaf Value	100 %	101.2 %

This proves the superiority of FISHER'S BLEND FLOUR, which is a scientific combination of Eastern Hard Wheat and Western Soft Wheat, over the Dakota all-Hard Wheat Patent Flour.
