## COUNTY SURVEYOR

I am asking for the Republican nomination, and if I am elected I will make the office mean something. All county work requiring engineering skill should be done by the County Surveyor, and maps and other data filed for future reference. Having made the surveys for the adjudicating of Little Butte creek water rights and a topographic map of a large portion of the Rogue River valley, besides other surveys, I am able to give first-hand information.

## WILL GIVE \$500 TO WOMEN READERS OF THE MAIL TRIBUNE

California Scientist Who Originated the Now Famous "Home Treatment" Offers Large Package Free to Women

In order that every woman reader of the Mail Tribune who suffers from leucorrhoea or whitish discharges, nervousness, ulceration, foreign growths, irregular and painful periods, ovarian and uterine troubles, change of life, pain in the head, back or thighs, bearing down feelings, hot flashes, dizziness, despondency or any of the diseases common to women, may have a chance to try this celebrated medicine, the now famous lady physician has offered to give absolutely free to five hundred women readers of this paper a large proof package, in order to prove the wonderful claims that have been made for it. In making this offer, Dr. Grace Feder Thompson said: "I know there are thousands of women who have been suffering for years with some disease or weakness of our sex and many of them have spent large sums of money seeking a cure. I know that these women hesitate about investing money in medicine because they have despaired of ever getting well. Hundreds of women have told me that story and hundreds of the same women have told me afterwards that my treatment had cured them after other doctors and everything else had failed. I want to show these despairing women that all the newspaper talk about my treatment is absolutely true. I want to prove to a limited number of women, no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged, that my treatment really and actually does accomplish the wonderful results that have been reported. "I am a woman, a wife and a physician. My wonderful "Home Treatment" is the result of seventeen years of practice and study of the diseases of women. As a woman I know your pains and can sympathize with you. As a doctor, I have learned by long experience how to cure them quickly, easily and surely. "To prove my ability I will send absolutely free to the first five hundred women readers of this paper who write, a Proof Treatment, postage paid and free. Fill out the coupon below or write me a letter describing your case fully and freely in your own words. I will respect and hold sacred your confidence. By return mail I will send you a liberal proof treatment. No money will be asked or accepted. As this offer is limited, you should write at once in order to receive a free treatment."
