COMMUNICATIONS.

To the Editor: In the Mail Tribune of a late date I saw a notice that the city council intended to readjust the water rates; if so a few comments might not be out of order...

Table with 2 columns: Item and Per Year. Includes water superintendent's salary, watchman at the reservoir, patrolman at the pipe line, etc.

The amount collected from the water users for the year ending Dec. 1, 1911, was approximately \$27,000 (accurately \$26,350.51) or three times the legitimate cost of maintenance of the system...

Now, however, the fact is dawning upon the progressive element that the greatest asset that Jackson county has is its mineral resources, hence the organization of the Mining Men's Club.

Help the Club Out. The Medford Commercial club was the first to recognize the far-reaching effects that the Mining Men's club will have upon the future prosperity of the Rogue River country...

If you are engaged in the selling of real estate or household commodities, etc., just bear in mind that mining men are liberal buyers of all kinds of supplies...

UNDESIRABLE CITIZENS.

"B REATHES there a man with soul so dead; That never to himself hath said: This is my own, my native land!" He may not have breathed when Scott wrote the above...

An utter lack of patriotism, an hatred even of Old Glory, a distorted view of society, a perverted "class consciousness" in a country where there are no classes in the old world caste sense...

Self-respecting unions should follow the example of the typographical and other conservative bodies and withdraw from the labor council, ere they are unwittingly made to vouch for more treasonable sentiments...

There is no reason why the authors of this defamatory circular should remain in a country they so deprecate. If they don't like the valley, let them move on to a more congenial clime...

WILSON AGAINST THE FIELD.

IN DEMOCRATIC ranks, it is Wilson against the field. Developments certainly lend color to the assertion that Clark, Harmon and Underwood have pooled their strength against Wilson.

Where Clark is strongest, as in middle western states like Oklahoma, Wisconsin and Kansas, Harmon and Underwood have withdrawn in his favor; where Underwood is strongest, in southern states like Alabama, Florida and Georgia, Clark and Harmon have pulled out...

The evidence is most conclusive of a community of interest among the supporters of Harmon, Clark and Underwood, with a corresponding division of territory, notwithstanding which Wilson seems to have a clear lead over all.

MINING CLUB AS AN ASSET

The little town of Bishop Creek, Inyo county, California, like Medford, is situated in the center of a rich agricultural and horticultural section...

Is Geographical Center. Medford is the logical and geographical center of the best mining region of the west, but owing to the fact that the proper publicity and reliable information concerning these vast mineral resources having been relegated to the rear...

Now, however, the fact is dawning upon the progressive element that the greatest asset that Jackson county has is its mineral resources, hence the organization of the Mining Men's Club.

Help the Club Out. The Medford Commercial club was the first to recognize the far-reaching effects that the Mining Men's club will have upon the future prosperity of the Rogue River country...

If you are engaged in the selling of real estate or household commodities, etc., just bear in mind that mining men are liberal buyers of all kinds of supplies...

POULTRY CAR HERE MONDAY

The poultry demonstration car equipped by the extension division of the Oregon Agricultural college, to be sent over the Southern Pacific lines for twenty-seven stops in different towns of the state...

First, there will be a lecture and demonstration especially for the school children, which will last for half an hour to an hour. Following that there will be a half-hour lecture for the general public on "Poultry Feeding" and afterward for an hour or an hour and a half those interested will be given a demonstration...

Since the car is to be in town for so short a time, it will be absolutely necessary that the school children, who are to have the first lecture, should be there promptly. Superintendent L. R. Alderman has arranged for this visit to the car with the teachers of the schools all along the route...

WOMAN THOUGHT DEAD, IS STILL ALIVE, SAY POLICE

LONG BEACH, Cal., April 6.—Mourning over the death of Mrs. Stella Welfare, who was believed to have leaped into the ocean with her five-year-old son, came to an abrupt ending today when Chief of Police Moyer stated that he had positive information that the woman has gone to San Francisco...

OROZCO FREES HIS PRISONER

EL PASO, Texas, April 6.—Fearing refusal would mean intervention by the United States, General Pascual Orozco, commander in chief of the revolutionary forces...

Rebels at Juarez inveigled Roberts across the Rio Grande there and he was immediately thrown into jail. The revolutionists also accused him of being an agent of President Madero.

Bridges on both the Mexican Central and Mexico North Western railroads were dynamited by federalists last night. This has led to the belief that the Madero forces plan attacking Juarez.

General Orozco paid no attention to requests from Mayor Kelly here for Roberts' release, but complied instantly with the demand from Washington.
