

### FROST KING KEPT AT BAY

Smudging was general over the valley Friday night, the thermometer dropping in sections to 26. The general average, however, ranged from 28 to 30. The new oil pots and oil were thoroughly tested and proved very satisfactory, in some cases raising the mercury at least 8 degrees. Occasional clouds appeared during the night keeping the frost king at bay in a degree, so the predicted temperature of 24 did not materialize. No frost tonight.
