

RAIN DISAPPOINTS HOUSER'S HEARERS

Rain which began falling as he was half way through his speech on behalf of Robert M. La Follette at the city park Tuesday afternoon disappointed a large number of local people who gathered to hear Walter M. Houser, La Follette's campaign manager, discuss the issues of the campaign. Mr. Houser is a very able speaker and rapidly gained the close attention of his auditors. The audience was heartily in sympathy with him and repeatedly applauded references to the Little Giant of Wisconsin.

Mr. Houser after paying a tribute to the state of Oregon for pointing the way toward popular legislation whereby the people can gain control of the government plunged into history regarding the early days of the La Follette campaign. He told how the progressives rallied about the Wisconsin man and how a messenger had been dispatched to Oyster Bay to learn of Roosevelt's stand. He declared that Roosevelt at the time was in favor of La Follette's candidacy but stated that he did not believe that La Follette could win. Then Mr. Houser charged that Roosevelt had broken faith when he saw that the progressives were making progress.

PAVING TO START IN NEAR FUTURE

The Clark & Henry Construction company plans to start work in the very near future upon this season's paving. At a special session of the city council held Tuesday afternoon they were awarded several additional contracts and had their bid for paving accepted. The bid was identical with the one of last year for the same class of paving, an asphalt macadam. The streets which are to be paved at once are South Ivy from Main street to south line of Park addition; North Ivy from Sixth to Fourth street, Eleventh street from Oakdale to Central avenue, Tenth street from Oakdale to Grand street, and West Ninth from Orange to Hamilton. The council has not as yet taken definite action in regard to the paving of Newtown. One year ago they ordered the street paved and the contract was let. The paving however did not get to the street owing to the large amount of work on hand and now a large number of the property owners are protesting the paving of the street. On the other hand a large number of them want the street paved. The council has so far declined to take definite action deferring such action until they can investigate more closely.

HOLD BAY CITY BROKER FOR INTENT TO DEFRAUD

SAN FRANCISCO, Apr. 10.—Charged with using the mails to defraud by misrepresenting stocks, Ed F. Wayland, a local broker, is in custody of the postal authorities today. Wayland is said to have sold a number of shares of stock in the Western States Life Insurance company to Richard Niemer of Kellogg, Idaho, and Frank S. Reager of Orland, Cal., and failed to turn the stock over to them. Wayland was a member of the last grand jury.

Died as He Prayed

PORTLAND, Ore., April 10.—Found in an attitude of prayer, kneeling at his bedside in a room at the Oregon hotel, Rabbi Hersch Werner of Seattle was picked up dead by attendants of the hotel after they had forced open the door of his room. Death was caused by heart trouble.

Accused Official in Defense

NAPA, Cal., April 10.—In defending the charges of embezzlement against him while he was superintendent of the Napa state hospital for the insane, Dr. Elmer E. Stone today has entered a motion alleging that the indictment against him was found on insufficient evidence. Arguments to set aside the indictment will be heard here Friday morning.

PUPILS BECOME GOOD CITIZENS

Already certain of the schools of Medford can point with pride to some practical results of the good citizenship movement among the children. Actuated by a new sense of individual responsibility, the children of the Jackson school brought wheelbarrows and carts and cleared away many of the stones and pieces of wood that littered the school grounds and themselves brought a box to serve as the receptacle of all papers and rubbish. They are taking an active interest in current events and have written compositions on the sewer and water systems of the city.

The league members of the Lincoln school, through their health committee, have been responsible for the removing of an obnoxious barn in their vicinity through having brought the matter to the attention of the common council. The Washington school at the next meeting of the league will make report upon current topics of interest to Medford, and the health committee will report contagious diseases that have come under their attention. St. Mary's academy children have also taken up the work and will shortly have interesting results to report.

The young officers in some of the schools are learning to preside in a manner that would do credit to their elders, and the members generally are receiving instructions in parliamentary decorum. This movement for good citizenship is one of the live interests to which the ladies of the Greater Medford club are lending their energies, and it will grow in significance for Medford as the children become better versed in the duties of citizenship.

OVER 4800 VOTERS NOW REGISTERED

As closely as can be estimated by the county clerk between 4800 and 5000 voters have registered in this county for the primary election April 19. The books closed at 5 o'clock Tuesday afternoon. The clerk now has all of the voters registering up to and including April 5 tabulated. At that time a total of 3895 had registered and of this number 2407 were republicans and 1041 democrats. This left the remainder scattered between socialists, prohibitionists. It will be a week yet before the registration is classified and segregated in the various precincts.

IN MEMORIAM.

Mary Blackburn, daughter of R. L. Blackburn and wife was born in Medford, July 16, 1895. Died at Sacred Heart hospital of dropsy, April 4, 1912. Mary was a lovable girl and had many true friends, whom she was anxious to leave mementos of her own artistic work. She was wonderfully gifted and used her failing strength to the end in trying to finish her many tokens of love and esteem. She often spoke in the highest terms of praise of the kind, good sisters, Mrs. Jessie Overdorf and Dr. Seely, stating "They have done all they can for me." It was intended that she should go in that way, and she was perfectly reconciled to her fate. Sweetly talking up to the very last breath to her heart-broken parents, eldest brother and others around her bedside. The dear little body was tenderly laid to rest on April 6th, by the side of her little sister, in Central Point cemetery, after appropriate services conducted by Rev. Horace N. Aldrich, pastor of the Methodist Episcopal church at the grave in presence of many friends and relatives.

The casket was covered with beautiful flowers, which she loved so well, an appropriate emblem of her purity. Our hearts were filled with gratitude to see how sacrificially our little niece was loved and honored and how impressive were the tributes of respect paid in the closing scenes. The pall bearers were young friends of near her own age, Misses Ella Hay, Sarah Bebb, Margaret Ross, Florence Noble, Mable Mann and Agnes Dunlop.

Lovely Mary how brief thy stay, Short and hasty was thy day, Ending soon thy sojourn here, Pain or grief no more to bear, L. E. S.

Jury Acquits, Mob Hangs

SHREVEPORT, La. April 10.—Although just acquitted of charges of having written letters to a white girl, Thomas Miles, a negro, 29 years of age, was lynched near here today. Miles' body which had been riddled with bullets, was found hanging from a tree.

SHE GAVE UP HOPE

When Mrs. Joseph Lombard, who lives at 229 Starr street, Brooklyn, wrote this letter in the hope that it would be seen by discouraged women, she did something that will be of help to many thousands. She says: "After suffering for five years from weakness and loss of flesh without finding any relief, I almost gave up hope of ever getting better. "About this time Vinol was recommended to me and I have found it a truly wonderful remedy. I have regained my health and feel strong and well again. I cannot say enough in praise of Vinol." All weak, exhausted women and men, all pale, puny children and feeble old folks, can have new health and strength by taking this delicious cod liver and iron remedy. It contains no oil and is agreeable to even the most delicate stomach. Vinol is a great appetizer and body builder for every person who is run down and weak. We give back your money if Vinol does not do all we claim. Medford Pharmacy, Medford, Ore.

S.S.S. HEALS SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Twelve Reasons For Buying a Chalmers Car
6 Chalmers cars are easy to handle
No car could be more fascinating to drive: for everything has been made so easy for the driver. Self-starter takes away the last inconvenience of motoring. Four-forward-speed transmission makes gear-shifting easy—because the difference in the speed of the various gears is so slight. Multiple disc clutch is easy to operate. Pushing out a quarter of an inch on the pedal is enough to release the clutch.
Dismountable rims rob punctures of their terrors. In case of tire trouble you unscrew a few bolts, put on a new rim with tire already inflated—and are on your way in less than five minutes. To inflate a tire you need only attach a hose and blow up the tire with compressed air from the self-starter storage tank. No back-breaking pumping by the roadside.
Carburetor dash adjustment enables you to regulate the motor's supply of gas and air without getting out of car and lifting the hood. All these and other conveniences make the "Thirty-six" an ideal car for the man who drives himself.
