

LOSE YOU HOWL, WIN YOU CROW

WASHINGTON, D. C., April 11.—Commenting on the campaign of Colonel Roosevelt for the republican nomination, for president, the Taft bureau issued a statement here today as follows:

"When you lose, make a martyr of yourself; cry long and loud to the public—anything to make the people believe that you have lost something you never had. When you win occasionally, proclaim it from the house-tops, for fear somebody will forget you are running. Make a noise all the time. No real winner ever howls."

The statement declares that President Taft will have more votes on the first ballot at the republican national convention in Chicago than he had in 1908, and calls all talk of bolting the party, and selecting a compromise candidate a bluff. It concludes: "The activities in behalf of Roosevelt are not designed to nominate Roosevelt, but to defeat Taft."

MINE INTERESTS WILLIAM SPROULE

Great interest in the proposed railroad to the Blue Ledge mine was expressed by William Sproule, president of the Southern Pacific railroad company, who passed through Medford Wednesday evening on his way to Portland. Dr. J. F. Reddy went north last evening to discuss the project in detail with him.

Southern Pacific officials are expected to arrive at the end of the week to make a trip to the Blue Ledge. They were unable to visit the mine Monday with the Medford men, owing to important business at Portland.

COMMITTEE AT WORK ON PLANS

The citizens committee chosen to outline the plans for the construction of a railroad to the Blue Ledge mine is now engaged in perfecting the incorporation of a railroad company and will also prepare a prospectus to be submitted to the citizens of the city before the active work of soliciting subscriptions is undertaken. The committee feels that all matters in connection with the road should be decided upon and ratified by the citizens before the subscription lists are opened.

TAFT AND ROOSEVELT SPLIT IN VERMONT

"Usin' TIZ Gramma?"

"Yes, Harold, it makes Grandma's Feet Feel Just Like Yours, Free from Tiredness, Aches and Corns."

"Your papa and mamma, your your grandpa and your grandma all use TIZ, Harold. And you'll use it, too, when you get to be a man. Then your feet will never hurt, or get tired. That's why we all use TIZ."

Most of us get old, feet first. The bunions get stale, more wearisome and painful. Corns get harder and more stubborn as the feet become more tender. At a time when old people need their feet most, they can use them less—unless they use TIZ. If you have never used TIZ before, your first use of it will bring back some of your girlhood days. TIZ will make your feet feel young, strong and vigorous. They'll never be tender, never chafe or ache, never get blistered or swollen, and your corns, bunions and callouses will be no more. Nothing will do it or can do it like TIZ. Don't experiment with other things; other people have done that for you and they are all now using TIZ.

TIZ acts on a new principle—draws out all the poisonous exudations that make foot troubles.

TIZ, 25 cents a box, sold everywhere, or sent direct, on receipt of price, by Walter Luther Dodge & Co., Chicago, Ill. Recommended by all drug stores, department and general stores.

VITAGRAPH NIGHT AT STAR THEATRE

Friday, April 12, is going to be "Vitagraph night" at the Star, and the management will give to each lady attending any of our afternoon or evening performances one autographed photograph of the world-famous motion picture actress, Miss Florence E. Turner, known to all the patrons of the Star as the "Vitagraph Girl." These photographs are quite pretty and owing to the universal popularity of Miss Turner we are sure to have a house full of ladies at each performance on Friday afternoon and evening. We have a special feature comedy, with Miss Turner in the leading role. This film is alone worth the price of admission. Owing to the splendid reception tendered Miss Turner in Portland she was desirous of visiting all

the theaters under the People's Amusement company's management, but on account of delicate health she was unable to visit Medford. This is to be very much regretted as the wonderful personality of this brilliant actress received no end of comment in the Portland papers.

ST. LOUIS, April 11.—Complete returns from the St. Louis primary election show that President Taft carried all but two precincts of the city. This gives him 28 delegates. Roosevelt gets 1.
