We are having another new building going up at Eagle Point. Mr. De Wilde is putting up a house near the Model variety store, where he expects to keep a bakery. He says his Rogue river property, the Riverhe intends to have a first-class bakery in every respect.

Jud Sdsall returned to his home, the Sunnyside, last Friday from a wild goose chase out in eastern Oregon. He doesn't seem to be very favorably impressed with some parts

George A. Gardner, one of the candidates for the nomination for county clerk, was among us Thursday, the 4th, and seemed to make a favorable impression. Judge Dunn, E. S. Briggs and son Billie Briggs, L. L. Mulit and B. R. Greer, editor of the Ashland Tidings, all of Ashland, were guests among us Friday, the 5th.

Fred Findley has been putting as addition on his house recently.

There is a movement on foot to organize a baseball club and purchase four acres of land on the south side of the creek for a permanent baseball ground. It is estimated that it will cost about \$2000 to buy the land and fence and prepare everything for a first-class ball ground, and quite a number of citizens have subscribed for stock. It will be a joint stock company, divided into shares.

If it will not be telling tales out of school I will say that there is a movement on foot to establish a Masonic lodge here, as there are quite a number of Masons among us.

On Friday, the 5th, Mrs. Ed Foster closed her school at Reese and the patrons and fr'ends came in and had a picnic dinner. She had arranged to have a program which was well rendered and those who were there report having had a fine time.

I am writing now from Elk creek and next time will have something to say about our trip, etc.
