

### FRUIT SHIPPERS MEET SATURDAY

The recent actions taken by the co-operative movement and the Northwestern Fruit Exchange have been the subject of much comment and many inquiries throughout the northwest and here at home. In view of the extremely large crop in prospect the marketing question has become the all-absorbing topic of the day in the fruit world. The likelihood of the few largest markets like New York and Chicago becoming and remaining glutted for the whole season and the absolute necessity for a wide distribution of our fruit has caused a remarkable turning to the system inaugurated by the Northwestern Fruit Exchange which has been thoroughly investigated, and heartily endorsed by the Clearing House and Chamber of Commerce of Spokane and the Clearing House and Commercial club of Portland.

The Rogue River Fruit and Produce company has contracted with the Northwestern Fruit Exchange for the sale of its product this season, and wishes very shipper to know all about the arrangements.

A meeting of the shippers of the valley has been called for 2 p. m. Saturday, at Medford Public Library to receive the latest information regarding the relation of the co-operative movement and the Northwestern Fruit Exchange, and the Fruit and Produce association. All shippers are invited.

LOS ANGELES, April 19.—Twenty subpoenas for witnesses in the case against Clarence Darrow indicted on a charge of jury bribing in the McNamara trial are being dispatched from the district attorney's office today, returnable May 15, the day set for the commencement of the trial.

### SPLENDID BOUT IS ON TONIGHT

Lovers of athletic events in Medford will turn out in large numbers tonight to witness what should terminate to be the best and most evenly matched boxing contest ever held here. Not since the memorable Battling Nelson visited this city has there been so much talk of the padded mitt artists as tonight's bout between Bud Anderson and Australian Kelley, who hook up in the ten-round main event of the Medford Athletic club's smoker.

In arranging such a match as is on tonight's card, Manager Frankie Edwards is setting before the local fans a dish which would be well relished in cities where they are accustomed to seeing world's champions perform.

Both men are eager to show before the public tonight that they are just as equal in the line of boxing as the many lightweight claimants who go around the country loudly clamoring for a chance at Champion Ad Wolgast's crown.

In the preliminaries of tonight's bout, Art Collins, who defeated "Iron Man" Moore at the last smoker, will meet Jack Overdorf. In meeting the latter he is giving away quite a bit of weight, but Collins thinks he is capable of the task.

As fast as the election returns come in they will be read out at the ringside.

Bouts will commence at 8:30 p. m. sharp. Seats on sale at Nash hotel.

#### Single Tax Wins in Everett.

EVERETT, Wn., April 19.—Late returns from all precincts except two indicate that the single tax provision of the new charter has carried by a majority of fifty.

### WILSON CERTAIN TO WIN GEORGIA

WASHINGTON, April 19.—"Not only will Georgia elect a solid Wilson delegation in the state primaries two weeks hence but it is my opinion that all of the southeastern states with the exception of Alabama will send instructed delegations to Baltimore in favor of the New Jersey executive," declared Senator Hoke Smith who returned from Georgia today where he went with Governor Wilson on his recent speech making trip to Georgia and Florida.

"I am greatly pleased with the situation in the south which is all that Governor Wilson's friends could desire," continued Governor Wilson.

"The race for the nomination is Woodrow Wilson everywhere against the man who is stronger locally against him. He is the one democrat who can carry Maine. In New Hampshire he has at least an equal chance. In New York Wilson has as good a chance as any man who can be put forward. Wilson is the one man who can carry New Jersey. Barring Harmon's control over Ohio, the democrats of that state are exceedingly friendly to Wilson and one-third of the republicans of Ohio are intense Roosevelt men who feel that they have been outraged by Mr. Taft's machinery. Wilson can carry Ohio by 50,000. Senator Kern has assured me that Wilson will have no fight in Indiana. Wisconsin is perfectly safe.

"If we put up a man who stands for human rights, who has progressive views, who believes in finding legally something that will be for the good of the human race, all that body of insurgent republicans will be torn loose from the republican party.

We want a man who can bring to us the best of that decided element.

Woodrow Wilson ought to be able to carry states enough west of the Mississippi with the solid south to elect him president," and, added the senator. "Wilson's chances are by no means small in the east and the north east. I don't see how they can beat him. I know he is far and away the strongest candidate we can nominate. I know there is no greater man in the party."

#### DICK FERRIS, ACTOR AND PROMOTER FREED

LOS ANGELES, April 19.—A federal indictment, charging Dick Ferris, actor, promoter and erstwhile friend of Lower California, with violating the neutrality laws, will be dropped tomorrow, according to a statement by United States Attorney Robinson. Ferris was indicted following a complaint of Mexican government officials, who alleged that he was active in fomenting revolutionary operations in lower California.
