

### GIVE CHAMBERLAIN PRAISE FOR WORK

Senator George E. Chamberlain is being highly praised by officials of forestry associations and timbermen, who declared his success in getting the million dollar item for fighting forest fires, and the \$500,000 item for road and trail construction, restored in the agricultural appropriation bill was a long step forward in the battle for a system of comprehensive forest protection and fire prevention.

Should the bill, as it now stands, receive a favorable vote in congress, it would mean a great saving to western citizens, through the added forest protection it would make possible, according to local timbermen.

Senator Chamberlain has worked untiringly to have two items restored to the 1911 figures since the house committee cut the fire fighting appropriation to \$200,000 and the road and trails appropriation to \$275,000.

In his fight before the senate committee he was actively supported by virtually every western association, including the Western Forestry association. Although it is possible that the house committee will not report back favorably on the two items when the bill is referred to it for consideration again, it is generally believed that the committee will attach its official O. K. and the bill will pass.

### CHICAGO PAPERS TIED UP BY STRIKE

CHICAGO, May 2.—Union newspaper pressmen struck here today because of the failure of the publishers and the unions to sign up a wage scale agreement.

The morning papers were issued as usual but the early editions of the afternoon papers are not yet out. A member of the publishers' association stated that the first editions were delayed and that the papers would issue a few pages, using non-union pressmen.

About 600 pressmen are out. The strikers say the publishers' association locked them out because 70 pressmen of the Hearst newspapers here struck this morning.

Union printers held a conference today to decide whether to continue at work if the newspapers employed non-union pressmen.

The Chicago American was the only paper to publish this afternoon. The police are protecting the pressrooms to guard the non-unionists.

The strikers declared that their union demanded a separate contract with the Hearst papers and that the Hearst management refused to sign when their old contract expired yesterday. The Hearst managers wanted the men to work under the union's agreement with the publishers' association.

### TARRYTOWN, HOME OF WEALTHY, WITHOUT PUBLIC LIBRARY

PUBLIC LIBRARY AND LYCEUM, TARRYTOWN, N. Y.

The village of Tarrytown, N. Y., the home of the Rockefellers, the Goulds, the Archbalds, the Carrolls, the Eastmans, the Clowrys and other families of wealth, is to be without a library because the taxpayers refused to vote \$800 additional funds at the spring election for its support. The members of the Young Men's Lyceum voted to terminate the contract with the village. The assessed valuation of Tarrytown is \$13,000,000, and \$800 a year would have meant only a few cents to each taxpayer.

### "TIZ Reminds Me of My Barefoot Days!"

"My Feet Never Get Sore, Tired or Chafed Now, Because I Use TIZ."  
"TIZ makes me feel like a boy again. Nothing would hurt my feet in those days, even when I'd run around barefooted with Rover, over rocks and pebbles and sticks.

"To be able now to have feet that never ache, never get tired, blistered, swollen or chafed, or have corns, callouses or bunions, is a glorious recompense for all the other aches and pains one suffers in the winter of life. TIZ makes the feet feel young, and young feet make you feel young all over.

"I've tried many things for my poor old tired feet, for those bunions of 20 years, and for those corns that have added wrinkles to my face. I've tried plasters, powders and salves—and nothing has ever given the relief that TIZ has. My feet are now strong and vigorous, they never get tired or swollen, I have no corns, callouses or bunions any more—they are boy's feet on an old man!"

TIZ gives instant relief and cures all foot troubles. It operates on a new principle, draws out all the poisonous exudations that cause foot miseries.

Don't accept a substitute. An elderly man especially has a mind of his own see that you get TIZ.

TIZ, 25 cents a box, sold everywhere, or sent direct, on receipt of price, by Walter Luther Dodge & Co., Chicago, Ill. Recommended by all Drug Stores, department and general stores.
