

EAGLE POINT TO PLAY MEDFORD

The baseball season will open in Medford next Sunday when the local team will meet Eagle Point, and not Ashland as was reported in yesterday's publication through an error.

Mr. McQuoid, a former member of the Medford club, is now residing in Eagle Point, and it is reported that he is the leading spirit in organizing a good team, which has been practicing for some weeks past, with the view of becoming worthy rivals for the championship-honors of the valley.

The members of the local ball squad have been engaging in daily workouts for a week or more and are rapidly getting into good condition.

Young Burgess who was the main stay on the Medford pitching staff last season, is already in first class condition, and the old heads claim that he is a hundred per cent better than ever before, which means that the local club will be prepared for any "ringer" that may be run in by any of the opposing teams of the valley.

On account of it being the initial game of the season, only twenty-five cents admission will be charged either to grandstand or bleachers.

The opening of the season always entails a great deal of expense such as preparing the grounds, purchasing balls, bats, etc., therefore a large turn-out of fans will be greatly appreciated.

Remember, the date, Sunday, May 12th.

SCENE FROM "OVER NIGHT" AT MEDFORD THEATER TONIGHT.

WHAT FRISCO THINKS OF PLAY

This is what the San Francisco papers say of "Over Night," which will be seen at the Medford tonight.

"In same class with 'Baby Mine' and 'Excuse Me.'—S. F. Examiner. 'Over Night' is real comedy and well acted.—Chronicle.

Irresistibly funny, the laughter was open and honest.—S. F. Post. 'Over Night' registers a big hit through novel vein of comedy.—Chronicle.

It suggests "Billy" because the plot is set on a steamer, and it suggests "Excuse Me" because the plot concerns the nervous adventures of a newly wedded couple. The suffragette bride is certainly a feature and the near suffragette gets many laughs.—S. F. Call.

SYDNEY, Australia, May 10.—The American bark Everett Britt from Puget Sound ports to Australia with lumber cargo was found drifting off the Australian coast dismantled and almost a wreck.

Considering that this scientific combination of Eastern Hard Wheat and Western Soft Wheat costs you from 20 to 25% less than what has always been considered the highest grade of breadstuff, you can readily see that it will pay you to insist on having

BLAST TAKES MANY LIVES

Several hundred lives were lost Thursday afternoon on Siskiyou Heights when a blast in a hole being dug for an electric light pole jarred the incubator house of J. W. Dunlap and put all of the eggs in the place out of business as far as chickens are concerned. The blast scattered rocks over the hen houses and the jar ruined the eggs.

Mr. Dunlap will ask damages.
