

SOCIETY

The Ladies' Auxiliary of the Baptist church, together with their husbands and friends enjoyed an all-day social on Tuesday of this week, by invitation of Mr. Judy at his home on Griffin creek. Conveyances of all description from autos to hayracks, carried the jolly crowds out to his beautiful country home. A bountiful feast was soon prepared by the ladies and with scores of merry waltzes, the long tables that were spread in the shade of the magnificent oak trees, were soon groaning under their heavy weight. The chief feature of the menu was chicken pie, made as our grandmothers made it. After ample justice was done to the many good things prepared, the rest of the time was given over to general sociability interspersed with music on the graphophone. About 85 were present and it was generally conceded to be one of the most enjoyable socials of the season.

MANY CLEANING THEIR PREMISES

Clean-up day looks like a great success. Almost before the city was properly astir this morning property owners were piling rubbish gathered from their premises in front of their several places where city wagons began picking it up and hauling it away. The rubbish which will burn was placed in one pile and cans and the like piled in another. The cans were hauled to a dumping ground and the inflammable matter carted to the large vacant lot near the Washington school where a huge bonfire will be lighted this evening.

Clean-up day will come to an end this evening in a great celebration. Music and speaking will be features of an entertainment within the light cast by the huge bonfire. The fire department will conduct the fire. The Medford military band has volunteered its services for the program this evening.
