LA FOLLETTE STRONG IN SAN DIEGO COUNTY

SAN DIEGO, Cal., May 15.—Until remote back country precincts are heard from, the result of yesterday's primary in San Diego county will be in doubt. With 32 precincts out of 145 missing, La Follette and Roosevelt were running close, with Taft a poor third. The totals were: Roosevelt 2,854; La Follette 2,712; Taft 1,464. La Follette apparently carried San Diego city by a small margin.

Wilson led Clark by a 2 to 1 vote. Wilson had 884 and Clark 397.

TEDDY AND BRYAN AND DEBS AGAIN

INDIANAPOLIS, Ind., May 15.—That the presidential candidates in 1912 campaign will be Roosevelt, Bryan and Debs, is the opinion of leaders of the socialist party, who today began a movement in the national socialist convention for the nomination of Eugene V. Debs as their national standard bearer, with Charles Edward Russell as his running mate.

There is some opposition to Debs in the eastern rank and file of the delegates. The Milwaukee delegation is fighting Debs, and urging the nomination of Mayor Emil Seidel of that city.

The consensus of opinion expressed in the convention is that Roosevelt and Bryan will be the standard bearers of their party after the Chicago and Baltimore conventions.

Some time today was spent in discussing the platform to be adopted by the convention. Efforts were made to prevent a fight on the floor of the convention over the endorsement of the Industrial Workers of the World.

VILE DEN FOUND

(Continued from Page 1)

ated her mother and sister at Los Angeles, but they never knew of her fate. She told them that she had been married.

This statement was true—but she did not tell them that it was to a Chinaman who kept her locked in a room in Chinatown until she had become a slave of the drug. Then he sold her—to a Chinaman at Portland. She was taken to various cities in the northwest and recently she ran away. She came to Ashland in search of work and there she met Jim Ling, the Chinaman accused of stabling Wo Lee in this city at the laundry last Sunday morning.

The craving for the drug was on Viola Miller and she easily fell into Jim Ling's power. He brought her to Medford and to the den on the banks of Bear creek. She spent a portion of her time at the Royal lodging house. But ever so often the craving for the drug led her back to the den.

Tells of the Assault. On last Sunday night she left the Royal lodging house about 1 o'clock and went to the laundry. Her master, Jim Ling, appeared on the scene and demanded money of her. She declared that she had but \$2 and that she was sick and needed it. He then drew a knife on her, according to her story, and threatened to kill her. She fled and sought refuge with Wo Lee. Then she declared Jim Ling entered Wo Lee's room and drew a knife. As she fled she declares she saw Jim Ling plunge the knife at Wo Lee.

We Lee's story as told on the witness stand Tuesday afternoon in the justice's court did not correspond with that of the woman. He says he was alone in the room when Jim Ling entered and demanded money. As the complaint filed against Jim Ling only specified assault with attempt to kill, the matter of a subsequent robbery was not gone into. It is a consensus of opinion that the two men quarreled over the earnings of the woman.

Woman Unnerved.

The fact that the woman was badly unnerved by being kept away from the influences of the drug and the fact that Wo Lee does not understand English very well may account in some degree for the differences in their stories. Jim Ling was bound over to the grand jury by Justice of the Peace Taylor and bond set at \$500. The woman was also held. It may be that confinement in the county jail for the next three months may tend toward breaking her of the drug habit and place her in such a physical condition that she will have an opportunity to start her life anew.

It was during a search for opium at the laundry Tuesday afternoon that the den was found. About it were scattered several pieces of woman's clothing. On a shelf was found a small quantity of opium and a large number of letters addressed to Viola Miller which corroborate

her story regarding her mother in Los Angeles. She has evidently been in the habit of sending money home, for in several of the letters this is mentioned. Her mother urges her to "be a good girl." By a peculiar circumstance there was found in the room a copy of "Leslie's Weekly" in which Kaufman recounts the experiences of a white slave in the dens of San Francisco's Chinatown.

Little Opium Found.

The only opium found at the laundry was the small quantity in this room. But it is evident that an organized business of selling it to Chinamen and others is carried on and it is believed by the authorities that the laundry is headquarters for it. Viola Miller declares that both Wo Lee and Jim Ling sell it.

District Attorney Mulkey declares that he will continue to probe the case and will have it brought to the attention of the federal officers, who will probably probe the opium selling and the white slave aspects.

TEDDY CALIFORNIA VICTOR

(Continued from Page 1)

That California is overwhelmingly progressive is evident from the fact that President Taft carried only the Fourth congressional district in San Francisco, his only victory in the state. La Follette is running close up on Roosevelt in San Diego and San Joaquin and may capture those districts.

On the democratic side it was a walk-over for Clark. He seemed, in the face of the returns, to have carried every district in the state and to have more than doubled the vote for Woodrow Wilson.

Not even San Francisco, where Taft hopes were highest, gave an unqualified endorsement to the president. Roosevelt received a plurality of 3,307 in the city. The complete city figures are: Roosevelt 19,825; Taft 16,518; La Follette 8,497; Clark 6,774; Wilson 2,940.

Los Angeles treated Taft even worse than San Francisco, Roosevelt winning there by 3 to 1. Practically complete returns show that Roosevelt carried Los Angeles county by about 8,000.

many people about the hotel.

"An hour or so after midnight the manager of the hotel came to me and asked that I leave his place. He said that vigilantes had threatened him if he permitted me to remain. I got an automobile and went to the railroad depot, where I boarded a sleeping car. Within ten minutes after I was aboard six automobile loads of men dashed up to the depot. They made a lot of noise, but did not come on the train."

Read a case of it:

F. W. Gray, 567 Palm St., Medford, Ore., says: "A few years ago my kidneys began to bother me and the trouble was aggravated by my occupation which requires me to be on my feet the greater part of the day. When I began work in the morning I felt all right, but after I had been on my feet for a couple of hours, my back began to pain me and at night I would scarcely be able to straighten. In some way I heard of Doan's Kidney Pills and began using them. They cured me in a short time and in return I am pleased to recommend them.

SOCIALISTS ACT FOR AID I. W. W.

INDIANAPOLIS, Ind., May 15.—Only a personal appeal from Congressman Victor Berger of Wisconsin, the only socialist representative in congress, prevented today the socialist national convention from telegraphing to President Taft and Governor Hiram Johnson of California, demanding protection for the I. W. W.'s in San Diego. Both Berger and John Shargo declared that such action at this time would merely enable President Taft to interfere in a local matter and aid him from a political standpoint.

Berger notified the delegates by promising that the national committee would act immediately for the protection of socialists and I. W. W.'s now in San Diego.
