Meets, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well. One day, I decided to try some Cardul. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life. The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardul will do for sick women. A few doses of Cardul at the right time, will save many a big doctor bill, by preventing serious sickness. It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardul. Suppose you try it.
