Chances are also bright he said today to socialist nominees to win in eight other congressional districts. Berger believes that he will be elected and that one of the adjoining Wisconsin congressional districts will send a socialist to the house. The congressional districts that include Los Angeles and Oakland, Cal., are also counted upon to send socialists to congress as are those which include Columbus, Dayton and Cleveland, Ohio, three Pennsylvania districts and two New York districts.

New Today

I have listed a 160 acre ranch, in a very desirable location on the Applegate that is waiting for a man of pluck and energy to make his fortune. It is very close to store, school and postoffice, and can be made, in a short time, into a very good ranch. Only seven miles from a good town, and on roads that are always good. Price on terms \$3200.

Who wants this 40 acre relinquishment in the Sama valley? A new three room house, barn, chicken house, good garden fenced in, horse, cow and calf, 150 chickens, wagon, buggy, harness, plow and the house fully furnished with new furniture. The place is good free soil, well watered, and one spring could be piped to irrigate the whole place. Price if taken soon \$800.

A four room house in southwest Medford, well located, with woodshed, chicken house and pen, and lot 50x120 feet, well fenced. Water in house and yard, and lot nicely cultivated in garden, and small fruit. Is offered at the very low price of \$1000 and will take half of this in a good lot. This is a snap.
