The highest point of woman's happiness is reached only through motherhood. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. In Mother's Friend is to be found a medicine of great value to every expectant mother. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes.

The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes. Mother's Friend is for sale at drug stores.

Write for our free book for expectant mothers which contains much valuable information.
