SCULPTOR PUTNAM IS RAPIDLY RECOVERING

That Arthur Putnam, the California sculptor, who was twice operated upon for brain trouble last fall, is fast regaining health is the assertion of Messrs. Reddy and Canon, who returned Thursday from San Francisco. Mr. Putnam, they state, is able to walk about without assistance and can move his left arm, though six months ago his entire left side was paralyzed. He has several assistants busy at his studio and is able to do some work himself. They were the sculptor's guests at dinner at the Bohemian club, where some of his bronzes are displayed.

MOTHER WAS WORRIED

Because Young Daughter Coughed so Much—What She Did

Just think how anxious Mrs. William Archer, of Long Branch, N. J., must have been about her 14-year-old daughter. She says: "She was very thin, had a bad cough, was nervous and did not sleep well. Vinol has helped her wonderfully. She can sleep all night now without coughing once, in face her cough is gone. Her appetite is greatly improved and she has gained weight. I wish every mother knew what Vinol will do for delicate children."

Nothing can possibly be more important than the health of children and that is why we earnestly advise the use of Vinol in all cases where a child is weak, pale, run down, has a cough, or poor appetite. We have seen it make so many children strong and rosy that we believe in it. Children take Vinol eagerly because it tastes good and it puts new strength into their little bodies. We guarantee Vinol to give perfect satisfaction and give back your money if it does not. Medford Pharmacy, Medford, Oregon.

WHAT MADE THE BAND PLAY DOLEFUL MUSIC

One of the most peculiar manifestations of the neighborly spirit as between two nearby towns noticed lately was the spirit exhibited by Grants Pass people and newspapers on the occasion of Central Point's recent excursion to the Josephine metropolis, says the Central Point Herald. So far as visitors could observe Grants Pass had her glad hand in the sling that day. Central Pointers had a good time on their own account and paid full price for everything they got including the time they waited for supper. In return the daily Courier on Monday evening dismissed the occasion with a gleam over the game score, a two line reference to the 175 excursionists from Central Point and the remark that "Central Point rosters brought their band along and the band played a few doleful airs." Maybe we were doleful, but in God's name, what
