

"MADE IN OREGON"

This page of advertising is paid for by Oregon manufacturers and men who have invested their money in Oregon enterprises, men who employ Oregon labor and keep Oregon money circulating among Oregon people. The Made in Oregon campaign is to educate the people to buy the products of these industries, and to buy what they need from the home merchant, and to ask the home merchant to keep in stock the Oregon Made products. The freshest eggs are eaten nearest to where they are produced. There is no excuse for shipping in stale eastern laid eggs when we can buy better and fresher eggs from the home producer. Moral: Get more factories by supporting those you now have.
