### CENTRAL POINT PLAYS MEDFORD ON SUNDAY

Next Sunday the local base ball team will play Central Point at the Medford ball park.

Judging from the games Central Point has played so far this season, they look to be bona fide contenders for the Southern Oregon championship. Three weeks ago they played Grants Pass a beautiful game and lost out by a close margin after a very hard contest in which a little luck would have decided the honors in their favor. Since then they have strengthened their team and are now playing class ball. Last Sunday the Point boys defeated the crack little Ashland team, which played Medford to a standstill a short time ago.

When Croker came here ostensibly to attend the derby for the first time in five years, he sailed on the same ship with Miss Kellerman, and she was his guest for two weeks at Glencairn, where she gave him physical culture and swimming lessons.

Therefore, let there be a full attendance at the meeting.

(Signed) WM. M. COLVIG,  
 President and Manager.

### WOMEN OF CITY BACK OF O'GARA SCHOOL DIRECTOR

The women of the city of Medford have determined to wage a campaign for the election of P. J. O'Gara, for school director. Election will be held June 17. A mass meeting is called for 3:30 o'clock Saturday afternoon at the Medford opera house which every citizen and taxpayer in the city of Medford is invited to attend.

The campaign is not undertaken by the Greater Medford club nor by the suffragette club, but by the women as a whole. They will work for the election of Professor O'Gara as they have pledged him to work for a greater degree of sanitation in the local schools and for revisions in the hours and method of study. The women claim that many matters should be adjusted and just now they want on the school board a man pledged to many of the reforms they say are needed.

A meeting was held this noon which was attended by a number of women prominent in the affairs of the city at which time it was decided to get behind the movement and work for O'Gara's election.

They point out the fact that O'Gara is very well equipped to serve as a school director as he has been an educator many years and takes great interest in the school system. They claim that they have chosen the best man available for the place.

A program is being arranged for the meeting Saturday afternoon and every parent in the city with children in school is urged to attend the meeting. Women who are property owners or are the heads of families are entitled to vote at the school election.

### "SPRING MAID" IS CAPTIVATING

Dainty little Mizzi Hajos romped her way into the hearts of Medford theatre goers last night who turned out in full force to witness a production of "The Spring Maid." While Mizzi hasn't a very strong voice, it is one that pleases and with her dainty gestures she is most captivating, as is her ascent.

"The Spring Maid" isn't a very wonderful creation but is much on the line of other comic operas. It can't compare with "The Merry Widow" and in fact has but two tuneful tunes, "Day Dreams" and "Two Little Love Birds."

Miss Hajos was fairly well supported. On the whole the show was one of the most pleasing of its kind seen in Medford this season.

**S.S.S. DRIVES OUT RHEUMATISM**  
 Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S. S. S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and barks of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.
