PHYSICIANS DISCUSS PROBLEMS OF MOTHERHOOD AND INFANCY

Five thousand physicians and surgeons from every State in the Union are in possession of Atlantic City. They are attending the sixty-third annual session of the American Medical Association. Dr. Abraham Jacobi, of New York, was installed as president, succeeding Dr. John B. Murphy, of Chicago, and in his inaugural address urged action to prevent undesirable marriages and stop perpetuation of defectives in population. He said in part:— Because of financial conditions women failed to select for their husbands and the fathers of their children strong, virile young men, but choose rather the old and the wealthy, often with the result of stately offspring, or none at all, said Dr. Jacobi.

The sons of the men whose means afford their children the best opportunities, he said, too often squander both health and opportunity in vice and dissipation, glorifying themselves for beneficent fatherhood, while the names and names of the world withdraw thousands of sturdy youths who might make excellent marital material. Professors Revising, of Copenhagen, and Dr. Barrett, of Melbourne, are attending.

577 VOTES FOR TAFT CLAIMED FOR CONVENTION

CHICAGO, June 10.—That President Taft will receive 577 votes on the first ballot, forty more than sufficient to insure his nomination, was the word sent over the long distance telephone to the white house today by Charles D. Hilles, secretary to the president. His message to the president was: "Conceding Roosevelt every delegate to which he has the slightest legal title, including California, North Dakota and Washington districts, where the contention is technical, delegates to the convention will be divided on the initial roll call as follows: "Taft 577; Roosevelt 55; La Follette 26; Cummins 10."

Roosevelt leaders here scoffed at Hilles' claim, declaring it based on the statements of Taft leaders and that it does not by any means represent the feelings of individual delegates.

An Excellent Performance. J. M. Busby's Minstrels played to a crowded tent last night. They were by far the best minstrels that ever visited the city under canvas. They have an excellent performance, especially the acrobatic features and the dancing, while the old time minstrel performance and songs delighted the audience. They carry a fine band and are a tuneful, musical, talented crowd.—Yates Center Advocate.

Don't Experiment You Will Make No Mistake if You Follow this Medford Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are common symptoms of kidney trouble, and you should seek a remedy which is recommended for the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Medford. Follow the advice of a Medford citizen.

A Beta, 139 Front St., Medford, Ore., says: "I am just as willing to recommend Doan's Kidney Pills today as I was in September, 1907, when I publicly told of my experience with them. I suffered from kidney trouble for at least five years and as time passed, I grew worse. Sharp pains darted through the small of my back and sometimes the attacks were so severe that I could hardly stoop. At night my back ached intensely and sound sleep was out of the question. Being told to try Doan's Kidney Pills, I procured a supply and they soon gave me relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

HANFORD ARRANGED AS JUDICIAL PERVERT

WASHINGTON, June 10.—Bitter arraignment of United States Judge Cornelius H. Hanford for the district of Washington, whom he characterized as a "judicial pervert, a moral bankrupt and a tool of corruption and special privilege," was voted here today by Attorney John Perry of Seattle, in an affidavit filed with Congressman George W. Norris of Nebraska, which supplements the impeachment charges brought against Hanford by Congressman Victor L. Berger of Wisconsin.

S.S.S. HEALS SORES AND ULCERS

S.S.S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S.S.S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S.S.S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.
