

"MADE IN OREGON"

Men and women are equally interested in this campaign to build up Oregon industrially. Better payrolls mean better chance to make a living, better homes, better men and women. Make a list of articles advertised on this page and call for them from the home merchant. Eastern magazines, weekly and monthly are filled with alluring advertisements to persuade you to buy ordinary necessities like flour, cereals, clothing, paints, furniture, tents, motor car tires, stoneware, candy, or baking powder. Ask for the Made in Oregon article. Is it not foolish for a great milling state like Oregon to ship in carloads of flour because it is skillfully advertised.
