

"MADE IN OREGON"

As a citizen of Oregon you are deeply interested in better social and moral conditions for this commonwealth. We want to ask you how can you better help produce those improved conditions than by increasing the home market for the products of the state? That principle underlies the prosperity of the nation, of every state and of community. The home merchant, the home manufacturer, the industries of the state generally deserve your hearty support. Oregon sends out millions annually for insurance, for necessities and luxuries, that are just as well and better supplied here at home. Will you not join the Oregon First Consumers League and call for the products advertised on this page? The way to build up Oregon industrially and commercially is to buy Oregon Made products.
