F. W. Gray, 507 Palm street, Medford, Ore., says: "A few years ago my kidneys began to bother me and the trouble was aggravated by my occupation which required me to be on my feet the greater part of the day. When I began work in the morning I felt all right, but after I had been on my feet for a couple of hours, my back began to pain me and at night I would scarcely be able to straighten. In some way I heard of Doan's Kidney Pills and began using them. They cured me in a short time and in return, I am pleased to recommend them."
