

WILSON TAKES LEAD TODAY'S BALLOTING

CHAMP CLARK TAKES SECOND PLACE IN LIST

No Break in Deadlock as Ballot After Ballot is Taken, With Wilson Gaining Slightly on Every Vote, and Clark Losing Ground.

Insult to Bryan by Missouri Delegation Precipitates Riot in Convention—Nebraskan Refused a Hearing.

BALTIMORE, Md., July 1.—After six hours and fifteen minutes of fruitless balloting the democratic convention at 5:17 p. m. recessed for dinner tonight with seemingly no chance in sight of ending the deadlock.

Despite the fact that the deadlock seemed absolute, Congressman Henry D. Clayton of Alabama, one of the best known of the party chieftains, was optimistic. He said that he believed after a three hours' rest and a good dinner, the delegates might be better fitted to agree.

"I don't think it will take us long to reach an agreement after we get together again," he said.

Kern Dark Horse Clayton intimated that conditions had reached the point where it was up to the leaders to act and force a nomination. He was building great hopes on the outcome of the conference that were to be held during the brief recess. Some of the other leaders were not so optimistic.

The general belief was that the leaders of the "the allies" who declare the Wilson strength has about reached its high water mark, will soon make a concentrated effort to force the nomination of Senator John W. Kern of Indiana. Kern has been groomed as the dark horse of the progressives and while very little has been said about him at the convention it now appears he has been the hope of the conservatives. He is very popular personally with many of the delegates and while his senatorial record is progressive he is generally regarded as "safe and sane."

BALTIMORE, July 1.—Woodrow Wilson, governor of New Jersey took the lead from his chief opponent, Spenser Champ Clark, on the thirtieth ballot for the presidential nomination, taken by the democratic national convention this afternoon. The thirty-first increased the lead materially, leaving Clark with two less votes than he started with.

Insult to Bryan Just after the thirty-third ballot was completed the Missouri delegation suddenly unfolded a flaring oil-cloth sign on which was the following in bright letters:

"I have known Champ Clark eighteen years. He is absolutely incorruptible. His life is above reproach. Never in all these years have I known him but to be on one side of the question and that was the side that represented the people.

(Signed) "William J. Bryan." After holding the banner where it was a minute or two, Dave Francis yelled:

"Take it to Nebraska." The banner was carried over to where Bryan was sitting in his seat. The Missourians yelled at him: "Here is what you said. Now, what are you going to do about it?"

Bryan Demands Hearing Bryan, livid with rage, jumped up and rushed to the stage where he demanded of the acting chairman, John E. Lamb of Indiana, whether he was to be subjected to insult.

Bryan demanded the right to answer what he termed a gratuitous insult, Lamb refused to let Bryan talk and he came down demanding that James be sent for.

Police got on either side of Bryan as he stepped before the Missouri delegation. The Nebraskan's face was bright red and as he called for David R. Francis or the chairman of the Missouriian's delegation, a dozen fists were shaken in his face, and

NEW YORK WANTS BRYAN EXPELLED

BALTIMORE, July 1.—John B. Stanchfield, when his name was reached in the New York delegation, asked unanimous consent to explain his vote and his request was granted. He bitterly assailed Bryan as a marplot.

"Mr. Bryan has said that the ninety delegates from New York are under the influence of Morgan, Ryan and Belmont. He has stated that no man could be elected by reason of their influence. I desire to say to him there is no man in the number who is under the influence of the men he has named.

CALL IS ISSUED FOR VOLUNTEERS IN TEDDY'S WAR

NEW YORK, July 1.—City Controller Prendergast issued a call today to organize the new progressive party with Theodore Roosevelt as its candidate.

The call is issued to the common people, irrespective of party. Controller Prendergast concludes it as follows:

"A provisional organization for the state of New York will be effected without delay, to be followed as quickly as possible by a permanent organization.

"Let every man who has in him the spirit of the minute-men of Concord and Lexington follow the example of a distinguished citizen who has already signified his intention of fighting for this cause and in doing said: 'I want to enlist not for the campaign, but for the war!'"

WASHINGTON, July 1.—Both house and senate passed a resolution confining the existing government appropriation by a viva voce vote.

WORKS ATTACKS BOTH PARTIES; BRYAN PRAISED

WASHINGTON, July 1.—A sensational attack was made in the senate today by Senator Works, republican of California, upon President Taft, Colonel Roosevelt and both national conventions. The contest between Taft and Roosevelt, he said was an "unexampled spectacle." The nomination of Taft, he declared, was procured by fraudulent and illegal methods. He was tainted. He would not support him.

GODFREY-HOLMAN TRAITORS TO CAUSE AT CONVENTION

In reply to the telegram sent Saturday by Jackson county democrats to the Oregon delegation, which read as follows:

"Who are the two traitors on Oregon delegation. Tell them not to cross the Mississippi." National Committeeman Will R. King wired as follows:

BALTIMORE, Md., June 30.—Replying Holman voted for Parker. Later he and Godfrey voted for Clark several ballots. Holman returned to Wilson and still voted with us. Godfrey still with Clark, with no sign of change. Have proper parties wire him. Indications are that Wilson will win. The adjournment is favorable to Wilson.

It will be noticed that Monday Holman and Godfrey both voted for Wilson.

EARLY MORNING RUN FOR FIREBOYS

An early morning blaze at the residence of I. B. Williams, 1015 North Central, called the department at 3:30 a. m. The building was partially destroyed. The boys got into action soon and prevented the flames spreading.

The fire started in a closet. Mr. Williams states that it was due to defective wiring.

Vera Rossmore, a niece of the late Denman Thompson, has been engaged as a member of the cast to support Emma Trentini the coming season.

WEST WITH MILITIA CLOSES RESORTS

PORTLAND, Ore., July 1.—Headed by Governor West and Adjutant General Finzer, fifty National Guardsmen armed with rifles today raided the Milwaukie road house near here, closed it, and placed on it a proclamation declaring martial law.

The raid was made in fulfillment of the announcement made some days ago by Governor West that a number of resorts were operating in the vicinity of Portland in defiance of law and that if the civil authorities would not close them the military authorities of the state would.

A. J. Burns, proprietor of the place, was given until this afternoon to tear down the high "peep" wall surrounding the house. If not removed by that time the soldiers will tear it down.

WEST WITH MILITIA CLOSES RESORTS

The governor declares this wall is in violation of law. After the raid on the Milwaukie road house, part of the soldiers were ordered into the camp in the yard connected with the house to see that the governor's orders are carried out; part returned to Portland on the special train that took them out, and a detachment kept on with Governor West and General Finzer toward the Clatsop Inn, which the governor declared he would close, together with a number of others.

"There is law in Oregon," Governor West said. To Burns when, with the National Guardsmen, he appeared at the roadhouse. "If the political authorities will not enforce it, soldiers with loaded rifles will."

WINGFIELD REFUSES UNITED STATES SENATE RENO, Nev., July 1.—George Wingfield, millionaire mining man and former partner of the late United States Senator George Nixon of Nevada, today finally refused appointment as successor to Nixon which was tendered him by Governor Oddie.

FIFTY KILLED 300 INJURED BY CYCLONE

Storm Wrecks Regina, Saskatchewan Demolishing Many Buildings and Causing a Property Loss of From \$4,000,000 to \$5,000,000.

Warehouses Left Standing Utilized as Hospitals—Path Two Blocks Wide Swept Clear of Buildings.

WINNIPEG, Man., July 1.—Report reached here this afternoon that a conflagration is raging in Saskatoon, Sask.

Telegraphic communication was entirely cut off and no further information was obtainable and the mere fact that the town was being consumed was obtainable.

REGINA, Sask., July 1.—Every downtown building which afforded sufficient room today was turned into a morgue, hospital or refuge for survivors, while volunteers worked to clear away the wreckage caused by the cyclone which exacted a toll of at least half a hundred lives and from \$4,000,000 to \$10,000,000 worth of property last night.

Warehouses left standing by the storm, freight sheds and St. Paul's church were filled with refugees. Rich and poor alike are being sheltered in the school houses and other buildings.

Path Two Blocks Wide. Many of the homes on the North Side which were wrecked were those of the wealthiest people in the province. A path about two blocks wide through the wholesale and retail business districts was cleared of buildings.

Mounted constables who galloped into the city early today from the barracks took charge of the situation at the request of the city authorities. Assisted by the mounted police and 100 special constables, they took up the work of patrolling the streets and directing the work of rescue.

Bodies are still being uncovered in the ruins and the list of injured has grown until it now includes 300 persons.

35 Bodies Recovered. Dead-wagons are still being driven to and from the morgues and many grief-stricken persons are digging about the ruins of buildings.

Thirty-five bodies were recovered last night. The last word received up to 10 o'clock this morning said that the reports of the cyclone there had been exaggerated and that the total loss of life would probably not exceed fifty.

There were several blocks still to be searched, it was stated. The list of injured will reach 200. Many of the injured are in a serious condition.

Storm Played Freaks. The storm played freakish tricks on some of the houses, tearing out one side of many buildings, leaving the interior undisturbed. Many of the houses were twisted so that they will have to be torn down. In the district of the best residences about 400 houses were demolished.

Central Park, the city's prettiest park, was filled with wreckage today. Every tree in the park was leveled. Great pieces of timber were carried there and hurled into the ground. Surrounding the park the finest buildings in Regina were demolished. The Y. M. C. A. buildings, where it was reported many lives were lost, and the \$200,000 Metropolitan Methodist church were but a mass of twisted steel and broken stone and bricks.

WINGFIELD REFUSES UNITED STATES SENATE

RENO, Nev., July 1.—George Wingfield, millionaire mining man and former partner of the late United States Senator George Nixon of Nevada, today finally refused appointment as successor to Nixon which was tendered him by Governor Oddie.
