

## GREAT ROUSING MEET TOMORROW; RARE TREAT IN STORE

"We're going some." The official slogan of the Medford Driving club which has arranged the three day racing meet at the track and speedway of the Rogue River Valley Fair association just north of this city will be fulfilled tomorrow afternoon when the first day's racing card opens. There will be exciting sport for all—those who favor machines and those who still find their first love for the sport of kings lingering. The racing meet will be the largest and best ever attempted in southern Oregon.

In the horse racing division there will be much sport. Several well known horses of this section will be seen in action. The track is very fast and in splendid condition. The weather promises to be excellent and there seems to be no reason why the meet should not be all that the boys in charge have promised.

The motorcycle and automobile races are bound to be full of thrills from first to last. A large number of cars have been entered in the various events and some real sport for those who love the exciting is promised. The track has been prepared especially for the auto races.

Unlike the races last year the racing cars will be seen throughout the entire course which will be a great improvement. Last year only certain sections of the track could be seen and after a car had passed it was necessary to wait several minutes before it would come in sight again.

According to all indications the racing meet will be pulled off before one of the largest crowds ever gathered to witness racing in this section. Ample accommodations have been provided and a splendid time is expected.

The races will be held each afternoon. The card will open Thursday at 4 o'clock. Following is the program for tomorrow:

**Thursday, July 4th, 4 p. m.**  
Horse Racing Division—First race, 2:30 trot or pace, for Jackson county horses; purse \$100.

Second race, buggy race; purse \$50.

Third race, running race, free-for-all; purse \$75.

Fourth race, pony race; purse \$25. Entries to be ruled upon by judges.  
Automobile Division—For cars 40 h. p. and under, A. L. M. rating, distance 45 miles; purse \$300; 1st, \$200; 2nd \$75; 3rd \$25.

Entries limited to Jackson, Josephine, Klamath and Siskiyou counties.

Motorcycle Division—Free-for-all race, 25 miles; purse \$50. First prize \$35; second prize \$15. Standing start, motor in operation. An entry fee of \$5 showing good faith. Same to be returned to all entries starting.

## COLORADO REPUBLICANS JOIN BULL MOOSE

COLORADO SPRINGS, Colo., July 3.—At a meeting of a hundred leading progressive republicans of the state here today, a resolution introduced by P. B. Stewart, republican nominee for Governor which provided that a committee of seven be named to work, election of Roosevelt electors, was adopted. The resolution also condemned the action of the republican national convention in unseating the Roosevelt delegates.

### MARRIED

Wedding bells pealed in the county seat last night when Miss Bertha Prim, daughter of Judge Prim, was united in marriage to Evan Eckleson of Portland. The ceremony took place at 8:30, the Rev. Bandy, pastor of the Jacksonville church, performing the ceremony.

The bride, who is well known in this city as well as in her home, Jacksonville, was most attractively attired in white marquisette over pale pink satin. Lela Prim and Marie Ulrich acted as flower girls. Miss Maude Newberry accompanied on the piano.

Mr. Eckleson is the head surveyor on a large railroad out of Portland and he and his bride will leave tonight for their home near that city.

Guests to the wedding last night were Mr. and Mrs. J. Cronemiller, Mr. and Mrs. Fred Ulrich, Mr. and Mrs. Ray Ulrich, Mr. and Mrs. John Miller, Mr. and Mrs. W. A. Jones, Mrs. Fay Sears, Mrs. Blanche Miles and Miss Maude Newberry.

The Northwestern league teams are running a real pennant race this season. Less than seventy-five points separating the first from the last team in the standing shows some travelling.

## Will Try for Automobile Speed Honors

A. J. Edwards, who will be seen in three of the auto races Thursday, Friday and Saturday. He won last year's free for all in this city.

## Spray for Coddling Moth Now

During the last day or two a few moths have appeared which means that we may expect the first worms or larvae of the second brood on or about July 15th. This is in accordance with what was stated about a month ago. We have been keeping careful records of the coddling moth in breeding cages, and, besides, have under observation a number of chest trees which are being used for the study of the insect.

Spraying should begin for the moth now so as to complete the work before the first larvae hatch, which will be about July 15th. The maximum number of worms will be hatched a week or ten days later, so that the second brood will continue to appear during a period of at least three weeks. The hatched worms of the second brood will not hatch until some time during the first week in August. Of course, these are stragglers, but if the arsenate of lead spray is properly applied within the next ten days, it will control the few

worms which are belated in appearing.

Use arsenate of lead at the rate of 4 pounds to 100 gallons of water. It is not necessary to use high pressure or a coarse spray. The spray should be a fine mist, and the fruit should be well covered with it. The second brood worms tend to enter the side of the fruit, and, for this reason the arsenical spray should be made to thoroughly cover the fruit. Instead of the large percentage of eggs being laid on the foliage, as is the case with the first brood, we find that they are laid mostly on the fruit. As a rule a single spray, applied immediately after the first apple spray, is sufficient for pears; however, where pears have been sprayed too early, or were not thoroughly sprayed, it will be a good plan to apply a spray now. Do not use anything but arsenate of lead; Paris green as advised by those unacquainted with conditions, may burn the fruit.

P. J. O'GARA,  
Pathologist in Charge.

## SOUTH DAKOTA G. O. P. NAME TEDDY'S MEN

HURON, S. D., July 3.—By a vote of 2 to 1 the republican state convention of South Dakota elected today here five Roosevelt presidential electors refusing to endorse President Taft or the action of the republican national convention held recently in Chicago. The convention also adopted a platform which makes no mention of Taft.

### SUPPORT FOR WILSON

(Continued from page 1.)

London, regardless of politics, today applauded the nomination of Governor

### HARMON TO SUPPORT WILSON AND MARSHALL

COLUMBUS, Ohio, July 3.—Governor Judson Harmon declared today that he would support Wilson and Marshall. It was announced also that Harmon will retire from politics at the expiration of his term December 31 next.

nor Wilson by the democrats at Baltimore, generally asserting that he was the best democratic candidate available.

"It certainly looks like democratic success," says the Pall Mall Gazette. "The nomination of Wilson will prevent the leakage of radicals from the party to Roosevelt. The selection of Wilson will prove an awkward banker for Roosevelt."

## PROWLER PROWL COUNTY WARRANTS

William Ulrich with two shots from his trusty shotgun Tuesday night routed a midnight marauder and likewise startled his neighborhood from sleep. Bill says the prowler was throwing rocks at his house dog but it is rumored that the visitor was attempting to get his hands on some county warrants.

Bill was awakened from a sound sleep about midnight by the frantic barking of the family pet. He secured his gun and took a couple of shots into the air. Thereupon a man who was prowling about the yard "beat it" up the street.

Margaret Mayo has two plays under way.

When rough, high-proof, strong whiskey begins to tell on you--when your nerves and stomach commence "calling for help"--try a little Cyrus Noble.

It is mild in character--aged in wood in charred barrels--blended and re-aged in steam-heated warehouses.

This gives it that palatable, enjoyable flavor peculiar to it--its mellowness--its richness.

Sold by first-class dealers all over the world.  
W. J. Van Schuyver & Co., General Agents, Portland.

## CITY COUNCIL STANDS PAT ON MEAT QUESTION

With J. W. Mitchell alone fighting the battle of the meat men of the city the city council Tuesday evening by a vote of five to one decided to stand pat on the meat question at the public market. There was no change made in the present ordinance and meat selling at the market will continue as it has in the past. Mitchell offered a resolution to the effect that only producers be allowed to offer meat for sale at the market but his own vote was the only one cast in its favor. The council, however, adopted a resolution providing that only meat and produce grown in Jackson county should be offered for sale at the market. A large delegation of women and men stood in the stairway leading to the council chamber to protest against any action of the council limiting the sale of meat at the market but filed silently away when they realized that the council was standing out.

Mitchell has been the champion of the butchers of this city since the controversy arose in regard to the sale of meat at the market but he was unable to override the views of the remaining members of the council who are frank in their statements that the sole purpose of the market is to lower the cost of living in Medford and that as it is accomplishing this that it should not be interfered with.

The market committee held a long meeting Tuesday afternoon and at that time arrived at a decision to recommend that the council stand pat. This recommendation was acted upon. Meat will be sold at the market in the future as it has been in the past.

BALTIMORE, June 3.—The new democratic national committee today rushed through with a grist of routine business and informally decided to travel to Sea Girt, N. J., tomorrow in a body to meet Governor Wilson.

## S.S.S. CURES BLOOD POISON

When the blood becomes infected with the virus of Contagious Blood Poison, the symptoms are soon manifested. The mouth and throat ulcerate, copper-colored spots appear, a red rash breaks out, the hair begins to come out, and usually sores and ulcers show themselves on different parts of the body. At the first sign of the disease S.S.S. should be taken, for the trouble is too powerful and dangerous to trifle with. If allowed to run on the tendency is to work down and attack the bones and nerves, and sometimes it makes a complete physical wreck of the sufferer. The disease can make no such headway if S.S.S. is commenced and used according to directions; its progress can be stopped, the poison removed, and health preserved. S.S.S. goes into the blood and removes the insidious virus, cleanses the circulation and makes a complete and permanent cure by driving out the cause. S.S.S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and blemishes, and when S.S.S. has thoroughly purified the circulation no trace of the disease is left. S.S.S., a purely vegetable remedy, cures Contagious Blood Poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. Home treatment book and any medical advice free to all who write.
