

SUMMER CLEARANCE SALE

IT is our custom to hold two clearance sales a year--one in January and the other in July. Our second semi-annual sale

Begins Monday, July 8th

Every department contributes something of unusual value. Some lines are badly broken, many are very complete. Owing to the late season our stock is much larger than it should be this time of the year. Our fall stock will soon be here. We need the room and are offering you seasonable merchandise at a price that means a big saving to you. Many of our staple lines are not mentioned in here. But every article will be sold at reduced prices.
