EXHIBITS WANTED FOR LAND SHOWS

PORTLAND, Ore., July 17.—This is the open season for exhibits. "Everybody's doing it," when it comes to assembling Oregon products for shipment to Middle West land shows. The railroads are at it and the Portland Commercial Club is conducting a still-hunt of its own, through the members of the Oregon Development League, to see that this state is represented at the expositions of soil products to be held next winter.

The Macedonian cry has gone out from the office of Secretary C. C. Chapman of the Oregon Development League at Portland and the responses now being received are gratifying in the extreme. Splendid crop conditions throughout the state are helping this work and it is safe to say that the samples of grains, grasses, vegetables and fruits will be of the best possible quality, and it is believed that Oregon will capture some notable prizes.

Not only has Secretary Chapman sent out circular letters of instruction as to choosing and gathering exhibits, but the Great Northern Railway Co., through E. C. Leedy, General Immigration Agent, is out with a circular giving detailed instructions as to collecting, curing and shipping exhibits. Anyone who wants information on this subject should communicate either with the Portland Commercial Club or the Great Northern Railway or the Harmonian lines for full instructions.

NEW SEPTIC TANK READY FOR USE

The new septic tank just completed by the city on the banks of Bear Creek north of the city will be placed in use within the next few days and is expected to properly care for all of the sewerage from the city.

The tank is of concrete throughout and is a third larger than the old tank which was of wood and caved in a few months ago. The tank is divided in three compartments to regulate the flow and is built according to latest data obtainable under the supervision of Olen Armpfizer, city engineer.

Mrs. Higginbotham and Frank Avery.

Mr. and Mrs. Householder were guests of Footh Creek friends on Sunday.

Katie and Maggie Foley, Mrs. Boggs, Pearl Bean and family, Mr. Johnson and the Misses Mansons were Gold Hill visitors this week.

Mr. and Mrs. Kell of Gold Hill came out and spent Sunday with Mr. and Mrs. Lewis.

The dance in Gold Hill Friday night which was attended by several from Kanes Creek, was a success both socially and financially. Music was furnished by Mardon and Kirk which was pronounced good.

We are sorry to say that Mrs. Thomas Cook of "Garden Row" is very much indisposed at this writing. Dr. Smith of Gold Hill is in attendance.

Mr. and Mrs. George Taylor spent Sunday with John Mardon and wife, Capple Swinden of Galls Center, is staying with Kanes Creek friends for a few days.

Every body was very much disappointed on Sunday as the Rev. Mack Davis failed to make his appointment as was his day Sunday. There being a good sized crowd out, but we had the usual Sunday school however.

MERCURY AT 80; HUMIDITY HIGH

Clouds came to the relief of local people today and tempered the rays of Old Sol by shutting them off altogether. It was much cooler than Tuesday when the mercury touched 103.

It is believed that the present hot spell is broken. The mercury only reached 80 today at 2 o'clock, but the humidity was 44 per cent.
