TAFT OPPOSES ROOSEVELT MEN ON BALLOT

WASHINGTON, July 18.—President Taft will fight Colonel Roosevelt and leaders of the third party movement for every presidential elector who runs on the republican ballot under the president's name. The fight will be carried into every state where the third party leaders hope to have republican electors vote for Roosevelt. NEWTON, Kan., July 18.—A temporary restraining order was issued today in the district court enjoining every county clerk in Kansas from printing on the official primary ballot under the head of the republican party, those candidates for presidential electors who assert openly they will support Colonel Roosevelt if elected. The plaintiffs allege they signed the petitions for the nomination of such candidates under promise that if elected they will support the republican nominee for president. The proceedings were filed by National Republican Committeeman Stanley and State Committeeman Dumont.

TAFT ADVISORS TO REPLY TO CHARGES OF FRAUD

WASHINGTON, July 18.—A detailed answer which President Taft's advisors will make to charges that his nomination at Chicago was procured by illegal means was one of the first subjects which greeted Carl A. Thompson when he assumed today the post of secretary to the president. Thompson discussed the answer with ex-Senator Dick, who had charge of the Taft contests. The statement reviews every contest and is longer than any presidential message. An abstract will be made of it for publication in newspapers and a full answer probably be published in pamphlet form.
