EXCURSIONS ARE GREAT SUCCESS

The two excursions arranged by the Pacific & Eastern and the Southern Pacific for Sunday proved to be great successes on both roads both from a pleasure and financial standpoint. The Southern Pacific ran their excursion train from Grants Pass to Coletsin near the top of the Siskiyou, while the Pacific & Eastern ran their train from Medford to Butte Falls.

For a time it seemed that each excursion would prove a failure owing to the weather. Saturday afternoon it began to rain generally in the valley and when Sunday morning dawned dismal and dreary many people gave up the trip. However, many went because they had their lunches prepared and did not care to stay at home. However, the day cleared at Coletsin and Butte Falls and the best of weather prevailed.

Music was a feature of each excursion. The Medford band accompanied the Butte Falls excursionists and furnished music on route and at Butte Falls and Eagle Point. Two orchestras and the Ashland band, as well as Professor Norling, cornetist, accompanied the crowd to Coletsin.

That local people were well pleased is shown today by the manner in which the excursionists are boasting for the men who had the excursions in charge. The excursion to Butte Falls was personally conducted by Joe Parker and the one to Coletsin by A. S. Rosenbaum.

GREAT LAUGH SONG. Pearl and Cassidy at the Isis this week are making a great hit with the crowds with their laughing song, an infectious number which soon has the whole audience joining the laughter. They also are clever dancers.

Louis Byrd, the Southern nightingale is winning friends with his voice and the show is in every way a good one. In addition the Isis is showing a number of reels of moving pictures.

There Can Be No Doubt About the Results in Medford. Results tell the tale. All doubt is removed. The testimony of a Medford citizen can be better investigated.

What better proof can be had? T. J. Williams, 617 Oakdale ave., Medford, Ore., says: 'In 1907 after Doan's Kidney Pills benefited me so greatly, I publicly recommended them. At this time I am again pleased to speak in their praise and give permission for the continued publication of my testimonial. I suffered for years from kidney and bladder trouble, the symptoms being slight at first, but becoming worse as time passed. The pains in my back became so acute that I could hardly endure them, and as the result of restless nights, I arose in the morning all worn out. Often I was so lame and stiff that I could not stoop and headaches and dizzy spells were common. I tried so many remedies without being helped that I became discouraged, but when Doan's Kidney Pills were recommended to me, I decided to take them as a last resort. I procured a supply at Haskins' drug store and after using two boxes, I could see that a great improvement had been made. I grew better from that time on and was soon free from kidney complaint.'

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

YOUNG GIRL RUNS AWAY; ARRESTED

Because she disappears from home occasionally and refuses to account for her absences Vera Henderson, 13-year-old girl, was taken into custody Sunday and will probably be committed to the Boys and Girls aid society at Portland by Juvenile Judge J. R. Nell. The girl was taken to Jacksonville today by Deputy Sheriff Shearer.

The girl lives with her father in the country and has been in the habit of running away from home and coming to this city. Once before found in suspicious company she was taken in hand by the police and returned to her father.

Saturday she ran away from home coming to this city. Sunday morning she was found in the city park by the police and detained. Her father states that he can do nothing with her so she will probably be committed to the care of the society.

ELEVEN FOREST FIRES; NINE UNDER CONTROL

As a result of the thunder storms of the past two days eleven forest fires have been reported throughout the district. Late last night nine of these were reported under control and men were massing to the other two points. Barring heavy winds, these, too, would be extinguished within twenty-four hours.

The storm had no distinct center, every mountain district having at least one fire reported. Heavy rains and in some cases hail have swelled the streams until they are nearly as large as just after the spring melting.
