**SIXTEEN LARGE TROUT LANDED**

The first large trout catch of the 1912 fishing season in Rogue river on flies was made Tuesday afternoon by Frank Isaacs, E. E. Kelly and George Putman. The party fished from three until seven o'clock and landed 16 steelheads, which, with the exception of two 2-pounders, ranged in size from four to eight pounds. The party lost over twenty fish, which were hooked during the afternoon.

Colonel Frank L. Tou Velle arranged the party driving the three anglers to the river. The sport was splendid from the start, the steelheads all putting up a game fight. Isaacs landed six, Putnam six and Kelly four. The judge was forced to retire before six o'clock as his rod was broken in a tussle with a big one.

The catch was not only the first big one of the season but was one of the prettiest ever taken from the river, owing to the uniform size of the fish.

**A Wonderful Tonic That Aids Digestion**

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit. If you stomach was in perfect condition you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable. Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
