"FORCE"

is Wheat, the Meat of all the Grains

WHEAT is the builder—the food that contains all the vital elements for the all-around development and maintaining of health.

"Force" is whole wheat—rolled into flakes, baked and toasted, a satisfying change from animal foods in warm weather.

"Force" when combined with milk is the perfectly balanced food, ideal for strength with lightness. The blend of barley malt gives a rich, delicious flavor and makes digestion easy.
