BURGLAR MAKES WAY WITH JEWELS

A daylight burglar entered the home of Mrs. Walter Eskine on west Clark street Tuesday afternoon and made a safe getaway with considerable jewelry. No clue was left by the thief and although the police are working on the case there seems little hope of apprehending him.

Our Correspondents

EAGLE POINT EAGLETS. (By A. C. Howlett.)

Carl and Henry Von der Hellen were callers at the Sunnyside last Friday. Mrs. Thomas Blair and her son Teddie, wife and son of one of the railroad builders, came in from Albany to the Sunnyside and took a room with her husband. Mr. Blair is one of the mechanics who are working on the new bridge that the P. & E. railroad is putting up in place of the old one across Butte creek. They are replacing the old one with a steel bridge and raising it some four feet higher than the old one was.

J. C. Moore, wife, daughter and son, spent the night with us last Thursday night on their way to their farm on Elk creek. Mr. Moore has been living in Ashland and was burned out August 2nd while the family was away from home. Everything was destroyed. He carried \$1,500 insurance but the loss amounted to over \$3,000. He has no idea of how the fire originated but fears that it was the work of an incendiary.

Mrs. C. D. Stout of Jacksonville came out Saturday to be with her husband. He is the superintendent of the bridge work on the P. & E. railroad and is superintending the construction of the new bridge on Butte creek, just below town.

Mr. Piper who owns twenty acres of orchard land near here has gone to Portland to remain for a while.

Mrs. Howlett took a business trip up on Salt creek, near Lake creek, last week and on her return brought back a load of nice Red Astrakan apples.

O. O. Celenderfer and H. N. Coss were with us last Friday night. They were working up a business in the electric line, taking orders for lights. They represent the California-Oregon Power company and agree to have the electricity in here within ninety days from the date of the contract. They have taken a great many orders for lights and power.

G. W. Ager, school supervisor for this school district, spent the night with us last Thursday and I omitted to mention it in my last.

Rev. M. C. Davis came in Friday evening and spent the night with us, then went to Sams valley and preached Saturday night, and Sunday preached at Agate and Table Rock, and while on the subject of Table Rock will remind the readers of the Mail Tribune that there will be an ice cream social in the Table Rock schoolhouse next Saturday evening, the object is to raise money to pay the balance on the chairs they have bought and to buy a stove to put in the spare room in the schoolhouse so they can have a suitable room to hold religious services and also to have their socials during the time that they have school in progress. Every assurance is given that they will have a good time.

Dr. W. W. P. Holt reports that there has been a new arrival at the home of Mr. and Mrs. Benjamin Edmondson of Butte Falls—a ten-pound boy last Friday, Aug. 9, '12. Bert Higgenbotham spent the night with us last Friday.

Next time will tell what I saw and heard on my trip to Agate and Table Rock Sunday.

SPECIAL TRAIN EXCURSION. A special excursion train will leave Grants Pass, Sunday, August 18th at 6:00 a. m., Medford 7:15 a. m., stopping at intermediate points to take on and let off passengers for Dunsmuir, Shaasta Springs, Weed and other mountain resorts returning same day. One fare for round trip has been made and plenty of roomy, wide and easy riding coaches will be furnished.

Blacksmith shops will be closed on Saturday, August 17, being the Horse-shoers national holiday. All shops belonging to Jackson County Local 620 will be closed on that day.

W. W. WILSON, See. No. 620.

BUTTE FALLS

The Butte Falls Manufacturing Co. are now ready for operations. Their planer has been placed and engine and machinery adjusted and the citizens of Butte Falls were awakened early, on Saturday morning by their steam whistle.

Dr. Buchanan is building a residence on the north side. Quite a number of our people are out camping and picking berries, among whom are Mr. and Mrs. Cross and family, Ben Edmondson, Mr. and Mrs. Carson, Mr. and Mrs. Scott, Mrs. Marion and her daughter Tina are keeping the Butte Falls Hotel in Mr. Cross' absence.

Except for early vegetables Butte Falls is hard to beat for garden truck. With water this soil produces an abundance. As soon as the city is supplied with water a market garden will pay handsome returns. The altitude makes the spring colder than at lower points, but gives us delightful summers.

The hydrants have arrived for the water works and we will soon have installed a water system which will largely enhance the value of property here and provide against the danger from fire. Butte Falls is an attractive resort for excursionists. Over 100 were here on Sunday.

The Mill Company have been running their saw mill all summer and have an immense amount of wood piled by the track and have cleared off a large tract on their property adjoining the town.

J. P. Barrett has the contract for a fine bungalow for Mr. Barker, the Butte Falls banker.

The Proof Is In The Seeing

The Pierce acres, beyond the reservoir, are dotted with settlers who got on the land last spring, and who have made a very creditable showing.

There are 72 acres still for sale—at way-down prices—and in tracts of 5 acres and up.

Let us take you out and show what is being done on this tract.

The prices are right, and terms right, and the land right for garden and fruit purposes.

Water is available for all parts of the tract.

Let us show you.
