SHE-LOOKS WELL

Who looks through lenses that we provide, because every pair we select are chosen on account of their adaptability to individual eyes. We examine first, then prescribe the correct glasses that will ease the eyes, restore perfect vision, and do away with any headaches that may have troubled you. We have only the best of ground lenses, yet we supply you at very moderate figures.

DR. RICKERT Eyesight Specialist Over Kentner's.

REMINGTON UMC NITRO CLUB Steel Lined SHOT SHELLS
No matter how fast they "get up"—they can't beat out the pattern driven by a steel gripped charge. The steel lining in Arrow and Nitro Club shot shells gives the speed—gives the exact compression to the powder charge that puts all the drive of the explosion behind your load. And with expert factory loading, you're sure of the same speed—a uniform spread of pattern in each and every shell. Make sure of your game—shoot Remington-UMC Arrow and Nitro Club steel lined shot shells for speed plus pattern in any make of shotgun. Give your dealer that favorite load order today. Remington Arms-Union Metallic Cartridge Co. 299 Broadway New York City

Pretty Mothers

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend. This is a medicine for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon involved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood. Mother's Friend is sold at drug stores. Write for free book for expectant mothers, which contains much valuable information. SHADFIELD REGULATOR CO., Atlanta, Ga.

Announcement

Polytechnic College Open September 2nd. Three departments: Normal, Business, and Engineering. The Normal furnishes a strong course for teachers as well as teachers' review classes every month in the year; the Business course contains bookkeeping, shorthand, typewriting, and all commercial work; the Engineering courses are, civil, electrical, mechanical, and mining.

The college is open the entire year of twelve months. Special teachers for each department. Thoroughness in all lines of work. Graduates will be aided in securing positions. Let young men and young women get ready for the wonderful development of this section of the Pacific coast.
