

At Times Jeff Shows Some Intellect at That

By "Bud" Fisher

HIGH COMPLIMENT IS PAID O'GARA

Dr. Granville Lowther, editor in chief of the Encyclopedia of Horticulture, now in course of compilation, pays the following compliment to Prof. P. J. O'Gara, pathologist for Jackson county: "If it is possible, we want you to do two things for us. First, we feel that the Encyclopedia of Horticulture will not be complete, without an article from you, on the "Control of Pear Blight." In fact, we wish you would take the whole subject of Pear Blight and handle it from beginning to end. "Second, we wish if you can, you would do us the favor to review the materials that we finally get together, on "Pests and Diseases." We are collecting, writing and arranging this material; but we want the criticisms and suggestions of a man, who combines technical scholarship and practical experience. In other words we want the best; as we hope our work will be, the best of its kind ever published. We think you combine these elements in greater degree than any man in the United States."

RESOLUTIONS OF CONDOLENCE

Whereas, The great and supreme Ruler of the universe has in his infinite wisdom removed from among us, one of our worthy and esteemed Neighbors Lawrence E. Hoover; whereas, the long and intimate relation held with him in the faithful discharge of his duties in Medford Camp No. 90, Woodmen of the World makes it eminently fitting that we record our appreciation of him; therefore,

Resolved, That the wisdom and ability which he has exercised in the aid of our organization by services, contributions, and counsel, will be held in grateful remembrance;

Resolved, That the sudden removal of such a life from among us leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this order, and will prove a serious loss to the community and public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased we express our hope that even so great loss to us all may be overruled by good by Him who doeth all things well;

Resolved, That a copy of these resolutions be spread upon the minutes of this Camp, a copy printed in the local papers and a copy forwarded to the bereaved family.

J. H. ATWELL, P. W. WATT, W. B. JACKSON, Committee.

SPECIAL TRAIN EXCURSION

A special excursion train will leave Grants Pass, Sunday, August 18th at 6:00 a. m., Medford 7:15 a. m., stopping at intermediate points to take on and let off passengers for Dunsmuir, Shasta Springs, Weed and other mountain resorts returning same day. One fare for round trip has been made and plenty of roomy, wide and easy riding coaches will be furnished.

Notice of Sale of Improvement Bonds

Notice is hereby given that the Recorder of the City of Medford will receive sealed proposals for the purchase of \$3,750.00, or any portion thereof, six per cent (6 per cent) ten year Improvement Bonds of the City of Medford, Oregon, (optional after the first year.)

TWO WOMEN WALK TO CRATER LAKE

Four pedestrians—Dr. J. H. Gilbert, professor of economics at the University of Oregon; Mrs. Gilbert, C. N. Reynolds of the registrar's office, and Miss Cora Shaver, a teacher in the Portland High School—have completed a 200 mile hike from Roseburg to Crater Lake and thence to Ashland. Mr. Reynolds left immediately for Eugene, while the other members of the party will spend several days in Ashland. Except for 24 miles from Roseburg to the government trail, and the 26 miles from Fort Klamath to Rocky Point, the entire distance was covered afoot.

The trip to Crater Lake was made over the government trail, along the north fork of the Umpqua. The return was made over the Dead Indian road by way of Pelican bay and the Lake of the Woods. The trip occupied 11 days, the party averaging 14 miles a day. The longest march was from Camp Arant to Fort Klamath, 17 miles. The gentlemen of the party carried about 40 pounds each, the equipment consisting of sleeping bags, blankets and necessary provisions. They report campers numerous all along the Dead Indian road, particularly at Lake of the Woods and Lost Prairie.

Will take some good city property. 120 acres in Sams Valley, no improvements, \$20 per acre. 50 acres, 1 mile from Tolo, 31 acres in alfalfa 5 room house and all other out buildings, \$11,000 or will trade for Roseburg acreage. 160 acres on Evans creek, with water, good 6 room house, \$3000. 80 acres on Evans Creek, 40 acres in cultivation, large patch of berries, pumping plant, all good improvements, \$3000.

TABLE ROCK

Farmers are stacking their grain to be ready for the first threshing that comes this way. G. E. Walling and family and Mrs. Hattie Loft are at Crater Lake. Miss Katie Amig of Medford is the guest of Miss Effie Sage.

Rev. M. C. Davis conducted services at Table Rock Sunday evening assisted by the Eagle Point chorists, and Miss Cora Shaver, a teacher in the Portland High School.

The Table Rock correspondent had to make a flying trip to Central Point a few days ago to have Dr. Andersen extract a wild oat from his ear. Moral: Keep cotton in your ears while handling wild oats.

There will be an ice cream social at Table Rock next Saturday evening, August 17. There will be a spiny program. It will pay everyone to come if possible.

Mrs. Vaughn who is visiting her brother, W. R. Byrum, will return to her home in Michigan soon.

The Table Rock Sunday school is increasing in attendance and interest. Perhaps we should not put this in our items but we can't refrain from giving the Mail Tribune a compliment on Monday's editorial on capital punishment. The people of Oregon will sustain you at the polls in November.

The Proof Is In The Seeing

The Pierce acres, beyond the reservoir, are dotted with settlers who got on the land last spring, and who have made a very creditable showing.

There are 72 acres still for sale at way down prices—and in tracts of 5 acres and up.

Let us take you out and show what is being done on this tract. The prices are right, and terms right, and the land right for garden and fruit purposes.

Water is available for all parts of the tract. Let us show you.
