SUNDAY SCHOOL MAKES CONSIDERABLE PROGRESS

A Sunday school organized in Tolo Sunday, May 26, by the Rev. Winans, to be known as the Tolo Union School with a staff of two officers and four teachers.

Miss G. Webb, superintendent and Mrs. F. H. Farrar, secretary and treasurer. The Sunday school has progressed most favorably and several ministers have held services in the school.

Sunday, August 11, Rev. Hurst of Central Point preached a most interesting sermon which was greatly enjoyed by all present particularly the children.

Mr. Hurst will preach to us again September 8, 1912, and we bespeak for him a full house. Our Sunday school will be held in the near future in the new brick public school, a fine new structure just nearing completion, and will seat about two hundred people.

It is most comfortable with good light and very appropriate for Sunday school services. The secretary, Mrs. Farrar, has been negotiating for an organ for the Tolo Sunday school.

MEXICAN REBELS CENTER ON WESTERN COAST

EL PASO, Texas, Aug. 21.—The Orozco revolutionists will apparently concentrate here and afterwards on the west coast either in the state of Sinaloa or Lower California.

The activity of United States troops on the Mexican border prevents successful operations of the rebels near those states, a condition which they assert was not necessary during the Madero revolution.

The United States is evidently anticipating a move to gain possession of a seaport thus attempting to bring in munitions of war by boat by sending the cruiser Denver to the west coast.

SOLDIERS AT PLAY FAIL TO CAPTURE SAN FRANCISCO

SAN FRANCISCO, Aug. 21.—The war is over and San Francisco is safe. From early morning until 2 o'clock this afternoon the Red army of invasion and the Blue army of the defenders engaged in a battle near Coyote, 75 miles south of here in the Santa Clara valley.

When the umpire blew the whistle he declared it a draw battle.

Card of Thanks. We wish to thank our friends and neighbors for their kindness during the death of our husband, father and son, William T. Vincent. Also for the many beautiful floral offerings.

JEFFRIES FIGHTS OVER POSSESSION OF DEER

LOS ANGELES, Cal., Aug. 21.—With a badly twisted ankle, but in possession of a buck that caused the accident, Jim Jeffries has today returned from a hunting trip near Soledad.

Jim's injury was received after he and an unidentified hunter had fired simultaneously from different angles at a deer. Each claimed the animal, and the stranger, unaware of Jeffries' identity, attempted to take it by force.

Aiming one of his famous right swings at the enemy's jaw, Jeffries' judgment of distance was poor. He missed, and for three seconds wildly waved his arms on the brink of a precipice.

A timely butt in the stomach from the stranger's head sent the former champion down an eighty foot incline. He grasped the buck's leg as he fell.

Evidently fearing he had killed his antagonist, the stranger disappeared. Jeffries was found two hours later by his brother Jack and helped to camp.

MRS. LARAMORE TELLS TROUBLES

Lady in Goodwater Describes Her Distressing Experience and Tells How She Was Finally Relieved.

Goodwater, Mo.—"Ever since I was a little girl," says Mrs. Riley Laramore, "I was a great sufferer from dyspepsia."

I suffered miserably after eating, and had terrible heartburn.

I thought I had to suffer this way as long as I lived, but when I began to take Thedford's Black-Draught, in small doses, every night, the heartburn was all gone in a few days, and I could eat without distress.

I took two small packages in all, and although that was some time ago, the dyspepsia has not returned.

TAFT PROUD OF SUNNY JIM SHERMAN

WASHINGTON, Aug. 21.—A letter of congratulation was sent by President Taft to Vice President Sherman at Utica today while Sherman was being officially notified of his renomination by the republican national convention.

Notice is hereby given that the undersigned will apply to the city council at its meeting to be held September 3, 1912, for a license to sell malt, spirituous and vinous liquors in quantities less than a gallon at its place of business at No. 31 S. S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system.

Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed.

S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood.

S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this green remedy all symptoms of Scrofula pass away.

S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age.
