Are open to young men and young ladies in the field of "WIRELESS" or Commercial telegraphy. The passage of a Federal Law effective October 1st, compelling all sea going vessels to be equipped with wireless instruments, and manned by two competent operators, has created a great demand for young men in the wireless service. The Morse Telegraph Company of Scattle, Wash.

operates under direct supervision of Wireless officials and places all graduates in positions. It will pay you to write for full particulars.
