BENCH WARRANT OUT FOR WITNESS IN JIM LING CASE

A bench warrant was issued by Judge Calkins of the Circuit court Tuesday afternoon for the apprehension of Laura White, otherwise known as Viola Miller, who figured in the Wo Lee-Jim Ling stabbing affair at a local Chinese laundry in this city sometime ago. The woman is a material witness in the case. She is said to be at Portland at present and an effort will be made to apprehend her and return her to Jacksonville to testify in the case of the state vs. Jim Ling for an assault with a deadly weapon.

If Jim Ling is not convicted it will not be the fault of the local colony of Chinese who are said to be lined up solidly against him and who have spent time and money in an endeavor to show the authorities his past record. Local Chinese say that he is a white slaver, a joint keeper and an altogether undesirable citizen. Some time ago they started an investigation to incriminate him and are said to have been partially successful.

Jim Ling is the Chinaman who is accused of having stabbed and robbed Wo Lee in a local laundry some time ago. In the developments which followed a discovery was made of a white slave den in the basement of the laundry and a white girl taken from there. An effort was made to reform the girl which apparently failed. She is now said to be living in a Chinese den at Portland, being a confirmed opium slave.

The Jim Ling case will probably come to trial next week.

S.S.S. PURIFIES BAD BLOOD

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S. S. S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruptions or diseases. Book on the blood and any medical advice free.

Decide Yourself

The Opportunity is Here, Backed by Medford Testimony

Don't take our word for it. Don't depend on a stranger's statement. Read Medford endorsement. Read the statements of Medford citizens. And decide for yourself. Here is one case of it: A Betz, 130 Front St., Medford, Ore., says: "I am just as willing to recommend Doan's Kidney Pills today as I was in September 1907 when I publicly told of my experience with them. I suffered from kidney trouble for at least five years and as time passed, I grew worse. Sharp pains darted through the small of my back and sometimes the attacks were so severe that I could hardly stoop. At night my back ached intensely and sound sleep was out of the question. Being told to try Doan's Kidney Pills, I got a supply and they soon gave me relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Also two fine building lots 50 x 140 feet. Not a corner. I will sell these two lots for less money than I paid for one of these lots this Spring—as cheap as you can buy a lot in Talent. These lots are on Rose avenue, one of the select residence district—a paved street four blocks from the Medford Hotel.
