

## MAN IN OVERALLS PRAISED BY DEBS

SAN FRANCISCO, Cal., Sept. 7.—There is something magnificent about a man in overalls whose brain is in working order. He is the incarnation of the social revolution; a mighty disturber of the peace. And the year 1912 marks the greatest awakening of the man in overalls the world has ever seen.

Leaving with his political followers here the above expression of his thought of the day, Eugene V. Debs, is today en route to Los Angeles, where he speaks tonight in his campaign as socialist presidential nominee.

More than 5,000 persons heard Debs' address. His earnestness and eloquence brought them upstanding. He said:

"You are not even a man in the capitalist system that takes all you earn and gives you a pittance in return. You're simply a pair of hands. That's what they call you—hands. They advertise for millhands, factory hands, farmhands—hands, hands, hands.

And it's only a step from a hand to a handout.

"Whenever I see a tramp, and I do see increasing thousands of them, I behold the epitome of the capitalist system—broken manhood, hopelessness, rags. I never see one but that my heart goes out to him.

"And the fallen woman—no, she is not fallen, but cast down and trampled in the mire. I take my place beside her against the system that made her, this woman and the tramp.

"When enough of us know that we've had enough of capitalism and exploitation then we will end it. Alone the capitalist could not elect a constable. He relies on you to elect his men for him as long as he can delude you and make you swallow his shallow promises. You working men hire the capitalist to take what you produce, and he likes the job."

Then Debs flayed the three other big political parties, and asked:

"Why didn't the republicans and the democrats perform at Washington where they are in power what they promised they would do at Chicago and Baltimore? Why do they want to wait until after another election before getting busy instead of doing it now? Because their promises to the toiler are idle.

"When a pullet walks into your kitchen and asks to be fried for your special benefit then you may expect a band of plutocrats to support an order which will put them out of business and compel them to earn an honest living."

### FOOTBALL TEAM TO BEGIN PRACTICE MONDAY

At a meeting of the students of the high school Friday night Seal Hall was named manager for the 1912 football squad and Bob Boswell named captain. The first practice under the direction of Coaches Jewell and Frost will be held Monday evening. There are about half a hundred candidates for positions on the team, and the material is big and husky and there will be competition for places. Several big fellows are among the number, and prospects for a strong team are good.

The first football game of the season will be played either September 21 or 23, most likely the last named date, between the high school and the alumni team, which will hold a meeting at the Nat in the near future to perfect plans of organization.

Games will be scheduled by the local high school with Ashland and Grants Pass and any other team in southern Oregon or northern California that cares to tackle them. If they succeed in taking the measure of these teams, the local aggregation will make a trip to the north, playing with Eugene and Portland.

### COURT SUSTAINS T. R. ELECTORS IN KANSAS

TOPEKA, Kan., Sept. 7.—Federal Judge Sanborn of Denver denied the application for an injunction to keep the Kansas Roosevelt electors off the Republican state ticket. The decision was reached this afternoon.

The case of the eight Roosevelt electors was brought three weeks ago. The attorney for the Taft followers went to Red Oak, Ia., to obtain a temporary restraining order from Judge McPherson, acting for Judge Pollack of Kansas.

The injunction is asked on behalf of the thirteen Jewell county men who had signed the nomination petitions for eight Taft electors defeated in the primary. It was sought to prevent the names of the Roosevelt electors being placed on the omnibus ballot under the republican emblem.

Judge Sanborn now holds there were no rights of which any man would be deprived and that the only recourse to Taft men is in a court of law and not of equity.

### 2496 TOURISTS AT CRATER IN AUGUST

During the month of August 2,496 persons registered their names at the Crater Lake National Park headquarters, according to Superintendent W. Frank Arant, who is in the city for a few days, says the Klamath Northwestern.

"August was the best month of the season for tourists," said Superintendent Arant yesterday. "The total number of visitors of whom we have a record during the entire season up to September 1 was 3,635. This has not been up to our anticipation of the number of visitors to Crater Lake and the Crater Lake National Park, but is an increase over the number for last year.

"The tourist season is not nearly over, but it is hardly possible that September will be as good a month as August. Although it has been somewhat stormy and some snow has fallen at the lake, the season has been fairly good and I expect a large number of tourists in the park this and next month."

### STATE SPECIALS ARRIVE FOR G. A. R. ENCAMPMENT

LOS ANGELES, Cal., Sept. 7.—More than a score of "state specials" arrived here today over various transcontinental railroads, bearing Grand Army Veterans to the national encampment of the organization. Commander-in-chief Thimbel arrived shortly before noon.

Monday will see the encampment officially opened. The business sessions will continue until September 14. The streets of the city and all public buildings have been lavishly decorated in the national colors. Elaborate preparations have been made to entertain the 40,000 visitors who are expected.

### MEXICAN REBELS CROSS BORDER INTO ARIZONA

DOUGLAS, Ariz., Sept. 7.—Mexican rebels crossed the boundary and were engaged by United States soldiers on the Long ranch, fifty miles east of Douglas, according to reports tonight. Thirteen American troopers held back twenty-five rebels, killing five and wounding one of the Mexicans, it is reported. The rebels are believed to be in command of Inez Salazar, whose men also engaged the Americans below Hachita, N. M., farther east.

### ONE LEGGED SWIMMER HOLDS NEW RECORD

LOS ANGELES, Cal., Sept. 7.—Lincoln Johnson, the one legged swimmer of the San Francisco Y. M. C. A., is holder today of a new Pacific Coast record in the 440 yard dash which he covered in 5:51 2-5. The mark was set in the Redondo Beach plunge during the Southern California championship events.

### VETERANS LEAVE PORTLAND TO ATTEND ENCAMPMENT

PORTLAND, Ore., Sept. 7.—Accompanied by one hundred relatives and friends, fully 150 veterans of the civil war are to leave Portland in a special train late this afternoon for Los Angeles to attend the national encampment of the G. A. R. in Los Angeles.

### DENY BROKEN FAITH M'NAMARA CASE

LOS ANGELES, Cal., Sept. 7.—The business men of Los Angeles have broken faith with no one in their agreement to work for industrial peace in Los Angeles, according to Harry Chandler, vice president and business manager of the Los Angeles Times, commenting today on the charges made in Portland by Lincoln Steffens, magazine writer. Chandler refused to discuss Steffens' prediction that labor will ask a pardon for the McNamara brothers because of the alleged "breach of faith."

"I didn't meet Mr. Steffens before the confession of the McNamaras," Chandler said. "Soon afterward, with several others, I conferred with him in an effort to straighten the labor tangle. Mr. Steffens and the business men could not agree. His idea of industrial peace is different from ours. He stands for closed shop and the sort of industrial peace that prevails in San Francisco.

"There was no specific agreement regarding the matters of which Mr. Steffens speaks. So far as I know, I and all my associates at that time are for peace. The entire matter, so far as I am concerned, did not have much to do with the McNamaras or their plea. The effort was one we would have adopted whether the McNamaras existed or not.

"In the matter of this conference, Mr. Steffens would have dominated over us. The business men of Los Angeles refused to be dominated."

### Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness, which often leads to epileptic form attacks; dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite.

Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

## If Business Is Dull

## ADVERTISE And Make It Better

Advertising is the foundation stone of the modern successful store. It has created the Waynamakers, the Marshall Fields and all the other retail merchant princes of our era.

You will notice that the big city merchant keeps at it every day in the year—that is the reason of his success.

He has something to sell—some store news worth imparting to the public, some bargain to offer or some one thing to interest and attract purchasers.

He makes his name a topic of household conversation. His store news is read as eagerly as any other news. His store is thronged with buyers all seasons.

He does it by advertising—not once a week or twice a week but every day.

The Mail Tribune reaches practically every home in Medford and surrounding territory. If you are in business and want customers, use its columns and increase your business. If you are a consumer, read its advertising columns and find out where to trade.
