DEMOCRATS AGAIN NOMINATE LINDSEY
DENVER, Colo., Sept. 11.—Incomplete returns received early today indicate that the progressives of both the republican and democratic parties swept Colorado yesterday in the state primaries.
Philip B. Stewart, progressive republican, is nominated for governor. He will be opposed by Elias A. Ammons, a progressive democrat. The Rooseveltites tried to induce Stewart to join the bull moose party but he refused. The progressive party will seek to put Edward B. Costig on the ballot by petition in opposition to Stewart and Ammons.
The progressives stayed away from the polls yesterday, as all of their candidates are to be named by petition. The bull moosers asserted today that the returns showed the progressive element predominates both the old parties.
The democrats have nominated John F. Shafroth as their candidate for United States senator for the long term. James H. Brown and M. D. Vincent are the republican senatorial nominees.
Judge Ben Lindsey, who has been prominent in the work of the bull moose party, was re-nominated on the democratic ticket.
Katherine Wilson, candidate for nomination to congress, was defeated.

ROUGH AND TUMBLE SPEAKER IS TEDDY
TACOMA, Wash., Sept. 11.—Over 12,000 people braved the chill breeze that swept over Tacoma's stadium last night to hear Theodore Roosevelt. Over 1,000 citizens with red and white badges and red bandanas greeted him at the depot and escorted him to the Tacoma Hotel. An impromptu reception was held in his honor prior to the address in the stadium.
"It is a mistake about my being an orator," said Roosevelt at the beginning of his address, "I'm just a fair and rough and tumble speaker," and then he proceeded to show what he meant.
He declared the progressive party had come to bring back to the nation a combination of "economic soundness with a high morality" which is essential for national success.
He proceeded to relate how the machinery of the old republican party had been "stolen by the Penroses, Barnes, Guggenheims and the Beverly Colmers, Colmer being the Washington state republican committeeman."
Roosevelt said he had no fight with the rich. "If a rich man got rich doing something that was of service to the rest of the race, I am glad of it," he said. "All we propose to do is to make it impossible to let the rich swindle you fellows."

MAINE'S GOVERNOR OUT FOR ROOSEVELT
PORTLAND, Me., Sept. 11.—"I am a believer in the square deal policies of Colonel Roosevelt, I am a Roosevelt republican."
This was the confirmation given here today by Governor-Elect Haines when asked as to a report that on the night of the recent election he had come out for the progressive candidate for president.
The progressives of Maine believe that Haines' declaration of faith, following his election, will aid greatly in swinging Maine into line for Roosevelt and Johnson.

Money Back Catarrh Remedy
Dosing the stomach won't kill Catarrh germs. Neither will sprays, douches, snuffs or ointments.
The quickest way to kill germs is to breathe deep into the lungs the vaporized air of Booth's HYOMEI.
As this antiseptic air passes over the sore spots infested with Catarrh germs, it not only destroys them, but heals the inflamed membrane and stops the discharge of mucus.
Then hawking, spitting, snuffing, crusts in nose and foul breath will disappear, and vile, disgusting Catarrh will be conquered.
A complete HYOMEI outfit, which includes a hard rubber inhaler, only costs \$1.00. Extra bottles, if afterwards needed, \$50; and Chas. A. Strang is authorized to refund your money if dissatisfied.

S.S.S. BLOOD POISON CURES

When the blood becomes infected with the virus of Contagious Blood Poison, the symptoms are soon manifested. The mouth and throat ulcers, copper-colored spots appear, a red rash breaks out, the hair begins to come out, and usually sores and ulcers show themselves on different parts of the body. At the first sign of the disease S.S.S. should be taken, for the trouble is too powerful and dangerous to trifle with. If allowed to run on the tendency is to work down and attack the bones and nerves, and sometimes it makes a complete physical wreck of the sufferer. The disease can be made no such headway if S.S.S. is commenced and used according to directions; its progress can be stopped, the poison removed, and health preserved. S.S.S. goes into the blood and removes the insidious virus, cleanses the circulation and makes a complete and permanent cure by driving out the cause. S.S.S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and blotches, and when S.S.S. has thoroughly purified the circulation no trace of the disease is left. S.S.S., a purely vegetable remedy, cures Contagious Blood Poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. Home treatment book and any medical advice free to all who write.
