

**LOCAL AND PERSONAL**

F. T. Museo and family of Bowman, Cal., has been visiting the past week with his sister Mrs. W. M. Chessmore. He had not been in Medford for nine years and was surprised at the wonderful growth Medford has made in that length of time. The criminal docket of the present term of the circuit court closed Monday with the sentencing of six convicted prisoners to terms in the county jail and state prison. Sixteen indictments were returned by the grand jury. In twelve of these verdicts of guilty were returned, one was acquitted and a hung jury resulted in the other, because of the complexity of the testimony of Chinese. Two indictments were dismissed. All of the cases were conducted by Prosecuting Attorney Mulkey, and the record is the most complete in the criminal annals of Jackson county.

Get it at DeVoe's. While digging a well for A. McNair Harrison of Gold Hill workmen struck a twelve-inch vein of fine quartz, which has every indication of carrying gold values. The ledge was encountered at a depth of sixteen feet. Water was found in sufficient quantity at twenty-five feet.

Mrs. V. M. Chessmore went to Brownsboro last Thursday to attend the funeral of her nephew, Melvin Myers who died at that place.

**All We Ask Is a Square Deal**

In the way of patronage from now until Saturday night, at many county fairs the merchants of the city close their stores every afternoon during fair week. At Eugene last week, as well as fair week last year, the merchants closed their stores at 1 p. m. every afternoon. The management requested the merchants of Medford to close Thursday and Friday afternoons from 1 to 5 p. m. The Merchants Association have agreed to close Thursday afternoon ONLY. Friday afternoon we have a \$500 free-for-all pace with four of the fastest horses ever seen in Southern Oregon entered. Thus being the largest purse ever given here we hope the citizens of Medford and vicinity will show their appreciation by attending.

**N. B.**

The entire racing program will be carried out in full as printed, and every race will have to be run on the square, or the management will declare it no heat, and new drivers or riders will be put up. The public can be assured that the management will spare no pains to give real racing.
