FIREBOYS WERE CLOSE TO DEATH

Medford's fireboys came very close to death Wednesday afternoon when they responded to an alarm from West Jackson street. Apparently the fire did not amount to much as only a woodshed was ablaze and in a few moments it was extinguished. Then it was that a considerable quantity of dynamite was found in the shed, having been stored there a few weeks ago preparatory to starting excavation work on sidewalks in that vicinity. The fire had burned away the box from one 25-pound lot and it was only by a close chance that the dynamite was not jarred when it was heated. A slight jar at that time would have caused the explosive to go off, which could have certainly resulted in one or more deaths, as the fireboys were close to the burning structure.

RESOLUTIONS OF CONDOLENCE. Whereas, The Supreme Ruler of the universe has in his infinite wisdom removed from among us, one of our worthy and esteemed Neighbor Woodmen, Olen C. Davis; and whereas, the long and intimate relation held with him in the faithful discharge of his duties in this society make it eminently fitting that we record our appreciation of him; therefore,

Resolved, That the sudden removal of such a life from our midst leaves a vacancy and a shadow that will be deeply realized by the members and friends of Medford Camp No. 90, Woodmen of the World, and will prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of

IF CONSTIPATED OR BILIOUS--"CARCARETS"

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation. Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
