IF YOU CAN'T GET HOME

This Will Light the Way

Burn Air
Use a Norleigh Diamond Cold Blast Lantern.
Cold blast, because the cold air is forced into the air mixing chamber and burns with the oil gases. The wavy black lines in the globe show the hot air rising and escaping through the dome. This creates a draft or blast, drawing the cold air in at the top, down through the tubes and into the air mixing chamber around the burner.
This results in a much better flame and much larger flame with the same consumption of oil. In other words the NORLEIGH DIAMOND LANTERN gives more light with the same oil.
Notice the new features: Cold handle, the bulb that stands alone, extra heavy tubes, the perfect globe guard, the extra large air chamber, the big brass oil hole, the lock lift and a new steel burner that insures the longest possible life.
Don't go home in the dark. Buy a Norleigh Diamond Lantern.

When you ask for Cyrus Noble the dealer knows that you know good whiskey.

It costs you the same as any other good whiskey. W. J. Van Schuyver & Co., General Agents, Portland.

Every Child Should Be Given This Tonic

When children have no appetite, when they are continually peevish and irritable; when they are restless in their sleep, it is almost a certain indication that their digestive organs are troubled with worms or other parasites. This is a very common ailment and easily remedied. Physicians will tell you that nearly every child is so troubled at some time and, in fact, many adults suffer in the same way. Among adults this trouble is invariably referred to as indigestion, when in reality it is due to a small parasite which infests the intestinal tract. For children, Jayne's Tonic Vermifuge is unsurpassed, as it is not only destructive to these parasites, but completely removes the nests in which their young are deposited. Seldom does it purge, and the improvement in the health of the child will be the first and best indication of the beneficial results of this medicine. Not only will the Vermifuge destroy all the parasites, but its wonderful tonic effects will restore the digestion which has been impaired. For children, the addition of a little sugar will make it so palatable that they will take it readily. Millions of parents have praised it for more than eighty years. Insist on Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
