CHILDREN WRITE FOR TAFT'S AID

DOUGLAS, Ariz., Sept. 24.—Answering the appeal of Elena Orozco, the seven-year-old daughter of General Pascual Orozco, junior, leader of the Mexican revolution, to president Taft, pleading her father's cause, Pearl Huber, ten, daughter of an American settler driven from Colonia Morelos by the rebels, wrote the president today, as follows: "Dear Mr. President Taft, Washington, D. C. My papa is not a murderer either. Why have you let Mr. Orozco drive us from our happy home? Be kind and merciful to Elena and hers, but, oh, be just to us.—Pearl I. Huber, a fugitive from Morelos." The letter was mailed this afternoon.

MARSHALL CONDEMNED FOR ARRESTING OROZCO

EL PASO, Texas, Sept. 24.—Condemnation of a United States deputy marshal and a customs guard who marched Colonel Pascual Orozco senior, the aged father of the Mexican revolutionary chieftain, through hot streets from the station here to the jail was voted here today by the El Paso press and public. The aged prisoner was followed by hundreds of Mexicans, who loudly hooted his guards.

"My noble boy," Colonel Orozco shouted, "will carry on the fight. He has entered the state of Coahuila with nearly 1500 men. My arrest is merely an incident of the revolution."

CALIFORNIANS HEAR BRYAN

(Continued from page 1.) in charge of the case. "Roosevelt says the trusts are here to stay, that all we can do is to regulate them, but he is unwilling to let them be regulated by the people, or by congress or by the courts, but demands that they be regulated by a bureau to be appointed by the president and—he wants to be president!" Bryan at Merced. MERCED, Cal., Sept. 24.—Halting but three minutes at Planada, a little boom town on the Santa Fe, where 300 men and women crowded about the observation platform, William J. Bryan made the only stop en route to Merced today, where he arrived at 11:45 a. m.

When the special drew into the station here 2,000 persons gathered to hear the Commoner speak for ten minutes from a temporary platform erected at the station.

Fraises La Follette. STOCKTON, Cal., Sept. 24.—Appearing before the largest crowd encountered during his flying trip through the San Joaquin valley, William J. Bryan, who reached here this afternoon, was given a vociferous greeting by the assemblage, numbering 15,000 persons, as he paid a great dramatic tribute to Senator Robert M. La Follette.

Bryan had been informed that San Joaquin county went for La Follette at the presidential primaries, and in speaking of the great insurgent, the Commoner declared that La Follette had received no help from Roosevelt during all the years that he has been fighting for the cause of true reform.

"I consider myself an expert witness on reformers," said Bryan, "and while I am willing to open the door for any late comers, I do not like to have them kick me out of the tent when they arrive at the last hour before midnight."

From here Bryan and his party of sixteen started for Sacramento via the Central Traction line.

The police are working on the theory that Spanos, accompanied by the two Greeks, Louie and Niek, who are in jail, followed Dedaskalous, murdered and robbed him. They showed up at Spanos' home almost at the same time as Mike, as they board there.

The officers who arrived on the scene first missed an excellent chance to do some good work when they permitted a large crowd of curious people to tramp under the factory where the body was found. The ground there was muddy and ideal for retaining foot prints. Because the place was not properly guarded this method of identification was valueless.

Healthy Mothers

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant those fibres and muscles which nature is expanding, and soothes the inflammation of breast glands. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. OROZCO ABLE TO PROLONG REVOLT

LOS ANGELES, Cal., Sept. 24.—That General Pascual Orozco has sufficient funds and is in a position financially to carry on the Mexican revolution indefinitely are the inside facts developed today by the United States senatorial sub-committee investigating the alleged promotion in the United States of Mexican revolutions, composed of Senators William Alden Smith and Fall.

Testimony by five former Chihuahua officials, ex-Governor Gaiteren, former Secretary of State Ponce de Leon, and three members of the Chihuahua congress, was unanimous that in the five months of the present revolution Orozco or the rebel forces have handled more than \$3,000,000 in Mexican money. The funds have been raised through bonds taken up by the merchants in Chihuahua in lieu of protection; state treasury relieved of all moneys; import duties at Juarez and in collection of taxes from railroads.

It is also estimated that the rebels have confiscated \$550,000 worth of cattle and foodstuffs.

"It would seem from the character of the testimony adduced," said Senator Fall, "that Orozco is able to carry the revolution on indefinitely, and has the full sympathy of the people in the northern part of Chihuahua."

Progressives Attention. All voters whether for Roosevelt, Wilson, Taft, Debs or Chapin are cordially invited to come out and hear the progressive candidate for congress, First District of Oregon, Hon. John W. Campbell of Roseburg, Oregon. Mr. Campbell does not claim to be an orator but will give a talk such as any good business man can put up.

We have orators and lawyers and preachers a plenty in congress, let us have a few business men elected to our legislatures and to our House of Representatives at Washington.

Other brief talks by Dr. H. F. Ratte and Fred W. Mears. Boy Scout tent tonight at 7:30 o'clock. Fifth street, near Central avenue.

LAXATIVE FOR OLD PEOPLE--"CASCARETS"

What Glasses Are to Weak Eyes, Cascarets Are to Weak Bowels—A 10-cent Box Will Truly Amaze You. Most old people must give to the bowels some regular help, else they suffer from constipation. It is just as natural as it is for old-people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets and they cost only 10 cents per box at any drug store. They work while you sleep.
