

BULL MOOSE FIRE FIRST CAMPAIGN GUN

A Bull Moose meeting was held Tuesday evening at the Boy Scouts tent on Bartlett street at which W. H. Campbell of Roseburg, candidate for Congress, made his initial appearance before a Medford audience.

Fred W. Mears called the meeting to order and stated that he joined the party because of its declaration for social justice and economic freedom, which were sufficient grounds for the creation of a new party. Furthermore he declared that the old party divisions were along artificial lines and that parties should not be half progressive and half stand-pat. He favored woman's suffrage because women as much as men are a part of our social and economic life and entitled to the ballot as well as men.

A. K. Ware, who is a Bull Moose nominee for presidential elector, introduced the speakers, but devoted most of his time to the Mail Tribune and its "bald headed" editor, both of whom he confessed to heartily dislike and "having it in for." He accused the paper of failing to emphasize his nomination as elector, and of suppressing Roosevelt news.

Dr. H. F. Rattie, who was delegate to the Salem convention told of his conversion to the Roosevelt ranks. E. B. Barber of Roseburg, one of the Bull Moose managers said that his travels showed farmers and laboring men for Teddy and professional men against him, with bankers evenly divided.

Mr. Campbell pledged himself if elected, "to be a servant of the people, not their boss." He stated that the Crater Lake appropriation was due to Senator Bourne and not to Congressman Hawley.

Only a small audience was present.

HANLEY SECURES BIG SALMON PACK

A good run of salmon, a big pack, and a prosperous initial year is reported by Ed B. Hanley who has returned from Alaska where with Frank H. Madden he established a large salmon cannery with an investment of several hundred thousand dollars. Although crippled by a strike among fishermen during the time of the heaviest run, an adjustment was made and big pack secured of first grade fish.

The capacity of the plant is 40,000 fish per day and it does not take many days of a big run to make a big pack. He states that he never saw so many fish at one time anywhere as there was past his cannery, which is the most modern and up-to-date of any in Alaska.

Mrs. Hanley and children returned with him, while Mr. Madden stayed to wind up the year's business.

JACOB FURTH UNDER ARREST

SEATTLE, Wash., Sept. 25.—Warrants charging Jacob Furth, millionaire banker and traction king, and three of his associates, with aiding and abetting W. E. Schrieker, a Laconner banker in receiving deposits when they knew the Schrieker bank was insolvent, were sent to the sheriff's office today to be served.

The warrants were sworn to by Prosecuting Attorney Hrawley at Hrawley at Mount Vernon, Skagit county.

The Schrieker bank failed about six months ago leaving \$300,000 in deposits unpaid. It is alleged by the prosecutor that Furth's Seattle bank knew for several months beforehand that the Laconner bank was insolvent. The Schrieker bank owed the Furth Seattle bank more than \$100,000, and it is charged that the Seattle Bankers induced Schrieker to accept deposits and then forward them to Seattle to apply on the big debt.

FASHION DECREES DRESSES TO BE TIGHTER THAN EVER

LONDON, Sept. 25.—Women's dresses are tighter than ever under the drapery now in vogue, and there are no foundations—only transparencies. Relieves Catarrh in One Hour

The quickest and easiest way to open up your mucus clogged head and free the throat from Catarrhal secretions is to breathe Booth's HY-OMEI.

Don't waste time with impossible methods; HYOMEI has ended the misery of Catarrh for thousands of despairing sufferers; it will do the same for you if you will give it a fair trial.

Just breathe it; it kills Catarrh germs and banishes Catarrh. A HY-OMEI outfit, which includes inhaler, costs \$1.00. Separate bottles, if afterwards needed, 50 cents, at pharmacists everywhere. Money back from Chas. Strang is dissatisfied.
