PERHAM'S BILL \$7572 ALLOWED

The city council met in regular session Tuesday evening and transacted much routine business allowing the monthly bills, hearing reports and the like.

Among the bills allowed was one of \$7,572 from Contractor Perham for bridge work on Bear creek. Councilmen Emerick and Summer-ville opposed the allowing of this bill on the ground that they should wait until a decision had been reached in the supreme court regarding the county's share of the expense. However it was decided to allow the claim. City Attorney Neff stated that he would leave for Salem Wednesday to arrange for a hearing in the supreme court hoping to get an early decision.

Bills of Firemen Ling and Boswell for salaries while they were absent from duty on account of sickness were allowed as was the claim of Chief of Police Hittson.

The water committee was instructed to determine the stability of a large water tank at the Domestic laundry which is said to be ready to fall.
