THOU SHALT NOT STEAL.

"THOU shalt not steal" was the commandment deliv-
 ered by the modern Moses of the Bull Moose to those
 who followed him out of the land of plenty, away from
 the fleshpots of Egypt. Being interpreted this means
 "Thou shalt not steal from ME—only from the other fel-
 low."

The Third Term party is not the republican party. In
 fact it is openly fighting the old party and doing its ut-
 most to oppose it. Widely does it advertise the fact that it
 has no affiliations with that organization.

Yet in California, the Bull Moosers have stolen the
 name of the republican party, and the Roosevelt electors
 appear upon the ballot as "Republican," while the Taft
 electors are denied a place upon the ballot.

The only way the regular republicans of California can
 vote for Taft is to write out the names of the thirteen
 electors upon the ballot who may in some way be nomi-
 nated to represent Taft.

The state primary law, which permits such theft and
 fraud is a rank piece of legislation put through by Hiram
 Johnson to strengthen his hold upon the state—a case of
 "too much Johnson."

If California wants to vote for Roosevelt, why not vote
 for him as "Progressive" as is done in other states, and
 enable the standpatters to vote for Taft, instead of forcing
 them to vote outside their party?

Even if the nomination of Taft was stolen, it does not
 justify the theft of his party from Taft in California. Two
 wrongs do not make a right, and in all probability both
 thefts will be rewarded by defeat at the polls.

The action of the Roosevelters is not a "square-deal"
 but it is as square as many of their leader's acts. It is
 following his own precedent.

"Thou shalt not steal" is the battle cry as "We battle
 for the Lord on the field of Armageddon"—the lord of
 course being Roosevelt.

WELCOME, LITTLE FILIPINO.

THE Oriental hook-worm has been discovered in the
 Rogue River valley—smuggled in from the Philippines
 to escape duty by a former resident.

There is nothing startling about this discovery. The
 hook-worm has long existed in Oregon. The fact that
 physicians have not caught him under the microscope is
 simply because they haven't tried to.

The hook-worm is here, all right. Its ravages are ap-
 parent in many localities, particularly in the Willamette
 valley, where the hook-worm should be blamed for the
 prevailing mossbackism—not its victims.

The hook-worm is what makes so many Oregonians
 lazy, shiftless and "no account." It is what makes so
 many bitter against progress of all kinds—the cause of
 perfect content with intolerable conditions. What little
 vigor the hook-worm has left, is expended in protest
 against progress.

Perhaps the introduction of the Oriental variety may
 improve the local species. The Filipino breed is said to be
 more prolific and busier than the American, and a cross
 may strengthen the breed. Perhaps it will attract Rocke-
 feller's attention and he will spend a little of the unearned
 increment he secures here by peddling adulterated gaso-
 line, in its eradication.

So let us welcome the little stranger. It can't do any
 worse than those already here—and it may wake us all up
 by exterminating its local rival in a to be famous war of
 the hook-worms.

PITY THE POOR RAILROADS.

ACCORDING to the reports filed with the state rail-
 road commission, the Rogue River valley railroad is
 about the only railroad in Oregon showing a net profit.

The Barnum profit is \$37.50. It is small because of
 the costly war successfully waged against the automobile
 stage line, and perhaps because the operating expenses
 are divided in the family.

The Barnum road shows a profit against the apparent
 losses, simply because its statement is an honest one. The
 other statements are a matter of bookkeeping slight-of-
 hand.

Interest on enormous loads of water, absurd sums as
 leases of subsidiary lines, inflated securities of all kinds
 upon which the public is asked to return revenue, con-
 struction accounts charged to operation—these are a few
 of the methods employed to show the railroad operating at
 a loss.

Yet the Southern Pacific's earnings in Oregon per mile
 are greater than those of other railroads—and its operat-
 ing cost not above the average. Its freight rates are the
 highest anywhere.

Pity the poor railroads—but don't pass the hat. If
 you did, it would be the occasion of another issue of water,
 not the building of needed branches to develop their own
 territory.

STEADIER TONE SHOWN BY STOCK MARKET

NEW YORK, Oct. 5.—Opening ac-
 tive and strong the stock market
 here today displayed a steadier tone,
 gains of a point or two being record-
 ed in Reading and Canadian Pacific.
 St. Paul, Harriman, Missouri Paci-
 fic and Steel also showed good gains.
 California Petroleum, just listed held
 first place at the opening, initial
 dealings being made at 66 to 67. Lead-
 ers reacted slightly, probably as a
 result of the apprehension excited by
 the prominence of this latest special-
 ty, but later recovered.
 The market closed strong.
 Bonds were steady.

 ford on a short business trip.

PANIC EXISTS IN CHICAGO VICE RING

CHICAGO, Oct. 5.—With denizens
 of the restricted district fleeing from
 the vice crusade raids of the state
 attorney, panic exists in the under-
 world here today. Of the four hun-
 dred complaints filed less than a
 hundred have been served as the
 others have fled.

Scores of inmates from the vari-
 ous resorts were arraigned, most of
 them being fined and warned.
 Vice Commission Chairman Sims
 refused to publish the "vice key"
 showing the names of respectable
 owners of resorts, but he will be re-
 quired to produce the key in court
 Monday.

"CASCARETS" FOR A SICK, SOUR STOMACH

Gently But Thoroughly Cleanse and
 Regulate Your Stomach, Liver
 and Bowels While You Sleep

That awful sourness, belching of
 acid and foul gases; that pain in the
 pit of the stomach, the heartburn,
 nervousness, nausea, bloating after
 eating, feeling of fullness, distension
 and sick headache, means a disor-
 dered stomach, which cannot be re-
 gulated until you remove the cause. It
 isn't your stomach's fault. Your
 stomach is as good as any.

Try Cascarets—the immediately
 cleanse and regulate the stomach, re-
 move the sour, undigested and fer-
 menting food and foul gases; take the
 excess bile from the liver and carry
 off the constipated waste matter and
 poison from the intestines and bow-
 els. Then your stomach trouble is
 ended. A Cascaret tonight will
 straighten you out by morning—a 10-
 cent box from any drug store will
 keep your stomach sweet; liver and
 bowels regular for months. Don't for-
 get the children—their little insides
 need a good, gentle cleansing, too.

It's a Bear!

A Great Big "Silver Tip"
 Bear—fully mounted—a rug
 that you could not buy for
 less than \$300.00.

Also—
 One Mongolian Spotted Leo-
 pard—fully mounted—a
 high priced Rug, cheap at
 \$125.00.

2 other expensive Oriental
 Rugs—Leopard skins with
 black bear border, rare spe-
 cies, \$150.00.

One South American Black
 Eagle—mounted—valued at
 \$50.00.

The Rug collection and the
 "Best" little \$3800.00 Bun-
 galow Home in the city goes
 for the modest sum of \$2375.

The house we just completed
 and built for a "Home"—
 new and clean, carries \$2500
 insurance which is not near
 the cost.

Read Description
 This artistic bungalow is
 28x55 feet on a large lot 50x
 140 feet, located on Rose av-
 enue, a paved street, close
 in, where everybody owns
 their own homes and many
 new ones under construction
 —well built and finely fin-
 ished, double constructed,
 which is a rare thing in this
 locality.

Small fuel bills, porch clear
 across the front with large
 cut stone porch piers, large
 living room 12x28 feet with
 fire place of white glazed
 brick, maple floors highly
 polished, nice grills, china
 closets and built-in cabinets
 and bins in the kitchen, solid
 brass electric fixtures and
 solid brass hardware to
 match—laundry trays with
 hot and cold water, large
 sleeping porch, two-toned
 window shades, beautiful
 tinted walls, nice lawn—this
 is one of the plans being used
 so much at Long Beach, Cal-
 ifornia. If there are any
 houses of this quality and lo-
 cation in the city for sale
 you will find them listed
 around \$4000.00.

With this home we throw in
 for good measure \$600.00
 worth of Oriental Rugs all
 for \$2375.00 because we are
 moving east in October. Get
 busy and own a "Real Home".
 If there is "one" thing you
 should try to buy "Good" it
 is a "Home." A cheap
 "Shack" of a house in a
 "Bum" location which you
 expect to call your "Home"
 will always be an eyesore to
 yourself and family; build-
 ing material has increased in
 price about 20% in the last 3
 months, and you would have
 to hustle to build this house
 "alone" even if you own
 your own lot for the price we
 are offering it today. We
 will build no more in "Med-
 ford" so if you want a house
 that will last a lifetime, we
 invite your most careful ex-
 amination of this property.
 \$1100 cash will handle this
 deal. Just the price of a
 small "auto." Which will
 increase the most in value,
 the Auto or the "Home?"
