GOLD DUST makes pot and pan spick and span

Pots and pans collect more dirt and grease than any other cooking utensil. The one best way of cleaning them is to use Gold Dust. Gold Dust not only takes off the outer surface, but digs deep after germs and hidden particles, and makes them as spotlessly clean and sanitary as when new. If you want your pots and pans so bright you can see your face in them—your pots and kettles spotless and germ-proof, use Gold Dust in cleaning. It will do the work, too, in half the time of the ordinary cleanser—and save most of your labor. Gold Dust does the bulk of the work alone; you merely assist it.

he contributed \$10,000 to Benjamin B. Odell's campaign for governor of New York. He could not recall whether he contributed to the fund which the late E. H. Harriman is alleged to have raised for Colonel Roosevelt's campaign. Depeu declared that after the cam-

paign Twombly assessed him \$17,000 more. In 1904, the witness said the state leaders told him he could not be re-elected to the senate, and he was offered the ambassadorship to France. Later, he said, he was re-elected to the senate. Depeu said that Colonel Roosevelt denied that

he ever had offered him the ambassadorship. "I have been somewhat of a joke all my life," said Depeu. "To be asked to contribute and then to have them try to trick me out of a seat in the senate was quite a joke on me."

Will You Spend ONE DOLLAR to Elect Wilson President?

How deep is your conviction that this government ought to be in new hands, in clean hands? How much are you in favor of a clean slate from Wilson and Marshall clear down the line to the very smallest offices in your locality? The Democratic National Committee has every reason to believe that every progressive voter is willing to spend a dollar to elect Wilson and Marshall and their ticket. And that thousands are anxious to contribute to the Wilson Campaign Fund in amounts of \$2, \$5, \$10 and \$20. To such we make our appeal. To such we must look for victory.

Time An Important Factor Head a List For the Fund This is another case where time is money. The enemy have their funds—supplied instantly by the interests. We have only a few days and contributions to be effective must be received at once. There is no question of the money of the People being able to defeat the money of the Trusts. Because it is greater even in volume and will be used in straightforward telling ways. But to be effective it must be received and used within the next few days. Quick action is absolutely necessary. Let us have your contribution or the list you make up from your friends and co-workers today if possible, tomorrow sure.

How to Contribute to the Wilson Campaign Fund Sign the Coupon in this corner and fill in the amount you give. Then attach your Money to this Coupon and mail today to the address given on the Coupon. Issue all checks, money orders and address all contributions to C. R. Crane, Vice Chairman Finance Committee Democratic National Committee, 900 Michigan Avenue, Chicago, Ill. Then write a letter to this newspaper giving your name as a contributor and stating your reasons why you believe Woodrow Wilson should be elected President of the United States. In this way you will be listed as a Wilson contributor. A Souvenir Receipt, handsomely lithographed, well worth framing, will be sent to you. Your letter will help the fight by encouraging your friends. Do everything you can to hold up Wilson's hands in his clean campaign for the people who do the work and fighting of the country.

Why the Dollar Counts In this campaign the issues lie between the forces of Representative Government and Popular Government. In Representative Government only a part of the people have influence—those with no political faith, who spend fortunes in any direction where their own ends are furthered for money. In Popular Government all the people have influence, because their executives and legislators do not dare to thwart the expressed will of the people. Representative Government, as ever, this year is being supported by the money of the interests. It is being spent lavishly to give the voters a wrong impression of Wilson. Popular Government, this year, to win, must depend on the truth being told about Wilson. We must publish his record and platform broadcast so that no one can controvert it. Your \$1, your \$2, your \$5, your \$10 or \$20 will count and count to win if spent in this work.

Wilson's campaign. Name: Address: R. F. D. State: Endorsed by
