

CONVOCATION OF OREGON DIOCESE HELD MONDAY

The first semi-annual meeting of the Southern Convocation of the Diocese of Oregon assembled at St. Mark's Parish home yesterday at noon, when a number of representative men of the parish were present at luncheon with the Bishop of the Diocese, the Rt. Rev. Charles Scadding, and the visiting clergy who came to attend the conference. The ladies provided a very tempting repast and while the good things were disappearing many of those present were called upon for short speeches by the bishop who acted as toastmaster.

Closer Relationship Sought
Bishop Scadding in his remarks spoke of the plan as adopted by Canon at the convention in Portland of having these convocational gatherings in the different sections of Oregon whereby the clergy and lay workers may be brought more closely together for mutual sympathy and inter change of views. There are three convocations, the northern including the parishes and missions in and around Portland, the central, those in and about Eugene and the Southern including the parishes and missions in the southern part of the state and the coast counties. The Diocese remains a unit as before with its yearly diocesan convention representing all the work in the diocese but these convocational gatherings are designed to bring the workers of a particular section in close contact with one another, when the problems and difficulties may be talked over.

Splendid Results
"Out of this plan," said the bishop, "there have already come very wonderful results. The meetings have been held in the northern and central parts of the diocese and everywhere, clergy and laity alike, went away feeling inspired and helped. This past year has been a hard one everywhere on account of the increased burdens that all the outlying parishes and missions have had to bear through street assessments and other demands made upon them, and yet I feel most encouraged over the good work that has been accomplished by the clergy with the loyal co-operation of the laity."

Short addresses were made on the part of the clergy present by Revs. Hamilton, Baker and Browning and by Messrs. Tallandier, Getchel, Strang and Penniston on the part of the laity.

Conference Held
At 2:30 in the afternoon there was a conference, the bishop presiding when reports were heard from the representatives of the parishes and missions and discussions followed as the best means of meeting the difficulties and problems of the work. The chairman announced that at 10 o'clock today the subject before the conference for discussion would be "The duty of the church towards the youth of the community."

At 8 o'clock last night there was a very inspiring service for the general public. Addresses were made by three of the clergy on the general subject of "The Coming of the Kingdom of God." Rev. Robt. E. Browning of Coos Bay spoke of the Kingdom of God with special reference to the individual, characterizing the kingdom as a change of heart, involving repentance and conformity to the principles of the Christian life. Arch deacon Chambers spoke of the coming of the kingdom in the parish, emphasizing the reality of prayer and the necessity of work. Rev. W. H. Hamilton of Grants Pass dealt with the subject on the larger side of the coming of the kingdom in the whole world.

Appeal Is Made
Bishop Scadding made an earnest and sympathetic appeal to all those present to stand shoulder to shoulder in making God's kingdom of righteousness a power and blessing to the individual, the parish and the whole world.

After the morning conference a luncheon to the visiting clergy by the ladies of St. Mark's Episcopal church, the convocation was concluded by an auto ride in and around Medford. All the delegates to the convocation expressed their pleasure and gratitude for the hospitable way in the church people and others of Medford had entertained them during their stay here.

CALL MAIDS HELPERS INSTEAD OF SERVANTS

PASADENA, Cal., Oct. 8.—Even into the palaces of the millionaire colony of Orange Grove avenue and Oak Knoll of this city is the spirit of democracy spreading. At a meeting of the Women's Civic league, the president, Mrs. Elizabeth B. The suggestion was received with approval. Mrs. Herbert is a wealthy leader of society here. She has just brought the noted painter, W. S. Webster, here, from Chicago to paint her portrait.

GOVERNOR MARSHALL'S WIFE A GREAT HELP TO HIM ON HIS CAMPAIGNING TOURS

The tone of the actress—the one night stand in the Mid-West, with changes at two and three o'clock in the morning at the little lonely stations and luncheons over the counter—was the portion allotted to Mrs. Lola Kinsey Marshall, wife of the democratic candidate for the Vice Presidency, in the making of a democratic Governor.

Healthy Mothers

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend. It relieves the pain and discomfort caused by the strain on the ligaments, makes plant those fibres and muscles which nature is expanding, and soothes the inflammation of breast glands. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. Consumption

Anyone interested in the treatment of Consumption should get one of the books telling of recoveries by the use of Eckman's Alternative. Coughs, Stomach Colds and Pneumonia may be the beginning of more serious troubles—Eckman's Alternative is the effective remedy. Read Mr. Kanaly's statement:—

"Gentlemen: For five or six years I was troubled with cough and expectoration. I also had a high fever. My case was declared Consumption by my physician. I was given Cod Liver Oil, Cresote and other medicines, all without benefit. At Christmas time, 1906, I was not expected to live. Calling Dr. R. H. McCarty, he advised the use of Eckman's Alternative, which I took with excellent results, and was entirely cured. I have gained in weight. I go out in all weathers and have had no cough or cold whatever. I give these facts to encourage others to use Eckman's Alternative." (Sworn Affidavit) JAR. W. KANALY.
