(Paid Advertisement.) KENNEDY AFTER OLCOTT'S SCALP

B. E. Kennedy, the Progressive nominee for the office of secretary of state, is making a tour of the state. In an interview he stated: "The secretary of state is a member of the state boards that levy state taxes and spends tax payers' money. The state board is the business agency the same as the county court is the county business agency. Would you elect both of your county commissioners and county judge from one precinct? Of course not! Why? Because it is not right, all sections should be represented upon the county governing board. If this is true in a county, why should it not be true in the whole state. Is eastern Oregon or southern Oregon or central Oregon or any of the east counties, or Multnomah county represented on the state board? No! Salem only is represented. Governor West, Secretary Olcott, Treasurer Kay are all Salem men and have been practically all their lives. "Hundreds of people are employed at the various state institutions. Nearly all salaries are fixed by the state board; most all the employees are Salem and Marion county people. Most all their salaries are fixed by the state board; the secretary of state audits all bills; most all supplies are purchased in Salem; the board buys from their old schoolmates and Salem friends. Is it any wonder that state taxes are high? "The progressive voters cannot consistently vote for Mr. Olcott because he supported Ralph Williams for national committeeman, going to the extent of wiring Mr. Bynon, one of the national committeemen at the Republican Chicago national convention to vote for Mr. Williams and by so doing he helped nullify the will of the people expressed at the primaries. "Mr. Olcott cannot consistently claim Republican support because he managed Governor West's campaign and contributed a large sum of money to the campaign fund to assist in West's election. He was at the time assistant secretary of the state democratic central committee, and now asking the republican voters of the state for the office of secretary of state on the republican ticket.

Easy to Get Relief From Indigestion Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headaches and constipation. Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body. For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder. Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

MAYOR SEIDEL TO BE HERE OCT. 17

Emil Seidel, ex-mayor of Milwaukee, socialist candidate for the vice presidency of the United States, will speak in Medford October 17, according to an announcement made by the socialists' local of this city Tuesday. An effort to secure him for Medford failed at first but the local socialists kept at it until they finally succeeded in securing him. Mr. Seidel won national fame for reforms in Milwaukee. He is a brilliant man and no doubt a large number will avail themselves of an opportunity to meet him.

Woodrow Wilson Has Clean Hands Woodrow Wilson is the cleanest man in national politics. He came of illustrious forefathers, who laid by blood and heredity the foundation of a future President through generation after generation of upright record. If Wilson is to be elected it must be by clean money and there is only one source of such money—from the voters of the country who realize the importance of having a government uninfused by the sloughy dollar. Wilson's hands are clean. Will you uphold them?

How Much Money Will You Give? How Much Can You Raise? There are big campaign expenses to be met if we are to win on Election Day in November. We must tell the voters of the country about Wilson, what he is, what he has done. We must show them his record. We must show them his platform. We must point out to them the features of his platform which mean so much to this nation. This great work will cost a lot of money. We must meet the usual heavy toll necessary to present a platform and a candidate to a hundred million. Your dollar, your \$5, your \$10, your \$20 is needed. And don't mistake—we want the man who can only afford the one dollar. We need him. We need the woman who can

the state of Oregon. He is a great poker player only. Mr. Selling during the interview brought up the subject of the rate bill introduced by the Medford Traffic Bureau. Condemns Rate Bill "I read that bill over," stated Mr. Selling, "and it is a very fair one on its face. But I discovered, during

a conversation with H. E. Lounsbury, general freight agent of the Southern Pacific, that it is full of deceit. It will be fatal to Medford and the other towns of Oregon. It is another instance of abuse of the initiative." Mr. Selling was asked to define his position relative to national politics, a subject on which he was silent for so long following the Chicago convention. "I am a standpat republican. I believe that Taft not only should be re-elected but that the welfare of the nation demands it."

68 PEOPLE HEAR CLARK SPEAK

Sixty-eight people gathered at the Natatorium Tuesday evening and heard A. E. Clark, Bull Moose candidate for United States senator, outline the principles on which he and the remainder of his party seek success in November. Mr. Clark spoke nearly two hours. He was introduced by Dr. Ratte while A. K. Ware presided. The evening's program was opened by the audience singing "Onward, Christian Soldiers" being led by the band. Mr. Clark played an entertaining speaker and held his audience throughout.

Cottolene for Digestible Muffins Muffins can never be their best if made from lard and soaked with grease. Cottolene muffins are light, dry and crisp, because Cottolene heats to a higher temperature than butter or lard, without burning, and in cooking forms a crust which shuts out the fat. Cottolene cooked food is always digestible. Cottolene is much more economical than butter or lard. Made only by THE N. K. FAIRBANK COMPANY

Will The REAL FREEMEN Uphold Wilson's Hands?

Woodrow Wilson has refused emphatically to accept contributions to his Campaign Fund from the Interests, from corrupting influences, from any questionable sources. He has given us, the Democratic National Committee, to understand that he will go into the White House with clean hands or not at all.

Who Is Getting The Money of The Trusts? So sure has been Wilson's stand, so well known his incorruptible purpose, that no private interests have dared to approach either our candidate or his committee. We have not been offered a penny by the trusts, and we certainly have not solicited a penny from them. The money of the Interests is being spent against Wilson. No matter for whom—we need not discuss that here—it is now common gossip that the money power of the nation is being used in an attempt to defeat Woodrow Wilson.

What Is a "People's Campaign?" We are addressing ourselves to the real freemen of America, the upright, Progressive Voters of the country who are doing the work of the nation and not the work of trusts and bosses. We realize that the salvation of every righteous cause rests with you. Often this cry of a People's Party or a People's President is raised by the very forces we seek to defeat and whom we must and will defeat. But look to our standard and our standard bearer and decide yourself as to which is the People's Campaign and must, therefore, be fought with the People's money.
