BOSTON WINS CHAMPIONSHIP OF WORLD

RED SOX WIN FINAL GAME IN ETENTH INNING

Wonderful Rally by Boston Wins Eighth Game of Season and Championship-Bedient and Woods Pitch Against Mathewson-Many Thrills.

Anybody's Game Until the Last Man Scores-New York Also Rallied in Tenth.

FENWAY, PARK, BOSTON, Oct. WILSON CANCELS 17.—By muffing an easy fly ball in the tenth round, Fred Snodgrass today cost New York the championship of the world and Christy Mathewson one of his greatest games. The Red Sox, hopelessly beaten, railied again in the face of this ghastly break by the Giants' outfielder and finally cut their way across by the margin of a run, where, with good support. Mathewson would have drawn a shut out. It was a heart breaking battle for the Old Master, today confirmed the report that all who stood through the game, through uncertain support, as only a marvel of heart, brain and arm could have stood.

Game Kicked Away There never was a game in the world kicked away as this one was in the most dramatic finish ever staged. The Giants, by clean slug-ging, had mauled Bedient and Wood FRANK JAMES OFFERS for two runs with Murray leading each assault. The last run came in the tenth when Murray and Merkle tore into Wood for doubles and put

Hooper then lined to Snodgrass, and after Yerkes walked, Speaker lifted a weak foul fly, which should have have eaten up, but with Meyers rushing the play was balled up. This play should have ended the ITALO-TURK PEACE battle and won New York the championship. But Speaker, there in the pinch, whaled a single to right, scoring Engle and Yerkes advancing on the throw-in. Lewis walked, filling the bases and when Gardner flied to Devore, Yerkes raced over with the winning run. Tribute to Matty

CHICAGO, Oct. 16.-The erisis in the condition of Colonel Theodore Roosevelt, victim of a would-be assassin's bullet, will come Friday. Not until then, it was admitted here this afternoon by Colonel Roosevelt's physician, Dr. Scurry Terrell, coust the probable outcome of the would be determined.

"If there is danger of bloodpoisoning or lockjaw," Dr. Terrell said, "it will be indicated Friday by the presence of pas. If there is no indication of pus, then the colonel will again be practically a well man several days later. It is impossible, of course, to forecast developments, but there is nothing at present to indicate an unfavorable turn."

How Colonel Roosevelt feels toward John Schrank, the political fanatic, whose bullet imbedded itself four inches beneath the skin, was expressed here this afternoon by Philip Roosevelt, a cousin of the former president and his traveling companion. The colonel, he said, is not angry with his assailant, but feels only impatience toward the man who attempted his life.
