"HIRAM GONE OVER 60 DAY LIMIT"

SACRAMENTO, Cal., Oct. 21.—Reports that Governor Hiram Johnson, because he has been absent from the state sixty days on his eastern campaign stood in danger of losing the governorship were denied here today at the capitol.

The constitution allows the legislature to grant this permission, and Attorney General Webb has advised Johnson that the constitutional revision, it is the fact which has made the governor desire to remain on his campaign.

When Johnson left California two months ago he expected to return by the end of September and to speak in all parts of this state during the final weeks of the contest. The state committee is now sending out its own speakers to carry out this scheme.

SAVED HIS SON

From Constitutional Decline.

So many cases like this are coming to our attention for the benefit of fathers and mothers of weak, sickly, ailing children in this vicinity we publish the following letter: Mr. Richard Rush of Columbus, Ind., says: "I believe I am indebted to the valuable medicinal properties of Vinol for the health of my little son Dale. He had a severe attack of whooping cough and measles, which affected his lungs and general constitution. We tried several other remedies without benefit, then commenced using Vinol and I take pleasure in acknowledging my confidence in its restorative and reconstructive virtues, for my little son is the picture of health now, all due to the use of Vinol."

This is because the child needed the strengthening cod liver elements and the tonic iron that Vinol contains. No oil, delicious taste. Children love it. We give back your money if Vinol does not do all we claim. Medford Pharmacy.

RESULTS TELL

There Can Be No Doubt About the Results in Medford

Results tell the tale. All doubt is removed. The testimony of a Medford citizen can be easily investigated. What better proof can be had?

T. J. Williams, 617 Oakdale avenue, Medford, Ore., says: "In 1907 after Doan's Kidney Pills benefited me so greatly, I publicly recommended them. At this time I am again pleased to speak in their praise and give permission for the continued publication of my testimonial. I suffered for years from kidney and bladder trouble, the symptoms being slight at first, but becoming worse as time passed. The pains in my back became so acute that I could hardly endure them, and as the result of restless nights, I arose in the morning all worn out. Often I was so fatigued that I could not stoop and headache and dizzy spells were common. I tried so many remedies without being helped that I became discouraged, but when Doan's Kidney Pills were recommended to me, I decided to take them as a last resort. I procured a supply at Haskins' drug store and after using two boxes, I could see that a great improvement had indeed been made. I grew better from that time on and was soon free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S. S. S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and bark of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.
